Division by sport or by school

Discussion

Lee -

James – Petition up

Becky – should be able to go up or down. Softball teams struggle up north, but basketball team will not petition down.

Rick – there are softball schools and schools that just put a team together. Better for kids to be able to

Bill – Mobility of program, 1-A programs cannot go anywhere

Mark – Petitioning down is troubling. There could be a lot of trouble if teams are allowed to petition down.

Direction/VOTE

Lee – Up only by sport

James – Up only by school

Becky – Up only by sport

Rick – Choose to go up and down by sport

Bill – Up only by sport

Mark – Up only by sport

Sport by-laws

Discussion

Bill – Wants to know if a field is available, teams should be able to do more than just soft toss.

Dean – if there is less state tournaments than it is doable, but right now it is hard with seven state tournaments going at the same time.

Discussion – next meeting and trying to decide on the next meeting.

Discussion – what will happen if petitioning down is allowed.

Discussion – Double Elimination Tournament/Site/

Rose Mofford is a good location for the 1A-3A State Tournament
