3A – BB Andrews, Eureka Hall

December 15, 2011 minutes – Motion made by Mark showers to approve the minutes, seconded by Fred Claire. Motion carried.

The Track & Field sport advisory committee unanimously approved Mary Wimmer as its chairman.

State track meet entry procedures:

- David Hines will send out by email to all athletic directors and head coaches the process to enter athletes into the state track meet thru athletic.net. Entry procedures will also be put on the track & field page on AIA365.

State meet information:

- Each head coach must turn in a coaches list and head coach verification form at the team check-in table to receive their Team Packet.
- All athletes and coaches will come through the Team Check-in area.
- Team Packets will include bib numbers for each participating athlete that must be worn in competition and shown with their uniform for entry into the stadium. Safety pins will be included.
- One pole vault and one triple jump coach per school if in the competition will be banded for access to the field for that event.
- A coach's corner will be created for communication between the coaches and referee. It will be located by the bull pen.
- Team camps can be set up around the facility however, every athlete participating in the meet must go through the bull pen area.
- Implements for the shot put and discus will be provided by the meet for all divisions.
- Additional bleachers are being brought in for spectators.
- Top 24 athletes will advance to the state meet. Additionally 2 athletes will be listed as alternates.
- Ties at the 24th spot will advance to the state meet.

Performance Lists:

- Performance lists can be found on AIA365.com, click spring sports, and click track & field, click athletic.net link. Find your division and click, then go to the event and click on that event to see a complete list of athletes.

From the group:

- There was discussion of a post meet form to list verification of officials. David Hines will try to put together the form and send out to qualifying meet directors.
- There was discussion on the need for automatic standards. Would only one provisional mark per event be sufficient? Question was would this eliminate the concern for more than 4 athletes from one school automatically qualifying. The committee was asked to get input from their conference and discuss at the next meeting.

Next Meeting: June 1, 2011 9:00 a.m.

Meeting was adjourned at 10:20

Committee broke into groups to work in on 2012-13 schedules.
