

Tennis Advisory Committee Minutes

May 21, 2014

Call to Order: 9:05am

Roll Call:

Laurie Martin, Jen fowler, Kristie Stevens, Scott Schall, Nadine LeDuc (guest)

Discussion Items:

- State Tournament review:
 - The AIA officials have had a positive influence on the tournament; additional training would help when called for specific rule concerns.
 - The first day of the individual tournament had some issues at some locations that can be approved upon for next year.
 - Need to look at rotating time slots in the team semis and finals. 11:00/2:00/5:00
 - Need to start the Team and Individual tournament matches at 8:00am
- Entries/Line-ups:
 - The electronic entry and line-up submittal will remain the same. Coaches need to enter their rosters at the beginning of the season, so they are in place. The roster and entry page will be changing a little for next year and it will be easier to "Make your state selections". We will work to add a confirmation component for the coach.
- Coaching at tournament matches:
 - The tennis advisory committee has now recommended that only the head coach and one assistant coach (school certified) may coach during change over's or between games. This will be put in the tennis information and the tournament guide.
- State Format:
 - The tennis advisory committee has recommended that in the regular season and **state team tournament** that doubles will be played first. At the conclusion of the doubles matches, players are allowed no more than 10 minutes before singles matches will begin.
 - The tennis advisory committee has recommended that matches for the team and Individual tournament to begin at 8:00 am.
 - The tennis advisory committee has recommended that the team tournament doubles matches be 8-game pro sets. This will be changed in the tournament guide.
 - The tennis advisory committee has recommended that the individual tournament be played over one three day period. One round on Thursday, two on Friday and two on Saturday.

Recognition:

- The committee would like to talk about the recognition process at the next meeting.
