

2014 STATE SWIM & DIVE

QUALIFYING MEET APPLICATION PACKET

Before a meet can be approved as a State Qualifying Meet, the following checklist must be completed and verified:

- The meet must be entered by the host school on the school login page and request sanctioning from the AIA.
- A completed AIA Qualifying Swim Meet Application Packet must be submitted to Erin Shields at the AIA swim@aiaonline.org. The swim meet application packet must include: a meet flyer or document with the details of the meet (location, time, rules, awards, process for submitting entries, scoring, results, etc.).
- The participating schools
- Names of the Referee, Meet Director and Timing Equipment Operator.
- Which timing system the meet will use. (pads, two-button system, etc)
- A 2014 AIA Qualifying Swim Meet Application Form.

Once an approved qualifying meet is completed, the meet director must forward a results export file, complete written results in .pdf format, and a completed Post Meet Report to the AIA Tournament Coordinator (erinmbshields@gmail.com) within <u>24 hours</u> of completion of the meet.

•	The Post Meet Report must include the names of the five certified meet	officials.

Hy-Tek Swimming Meet Manager is the software that is to be used for entries, scoring and results of the qualifying meet.

AIA approved abbreviations must be used in state qualifying meets. A list of school abbreviations can be found on the Swim & Dive page of AIA365.
