## **State Dive Qualifier Entry Instructions:**

We are using CleanEntires.com for State Qualifiers and State Championships this year. Please note that the first time you sign up, it will not be a fast process as all your divers need to sign up too. After you go through the setup process the first time, you will not need to setup again for subsequent meets. You will just enter dive sheets.

1. Go to <https://cleanentires.com/> to login or create an account if you are new to the site. If this is your first time registering you will need to add your team to the database. Please use the official name of your team when entering the full team name, and your 4-letter AIA school code for

the abbreviated code. Codes can be found on the AIA website or the AZ High School Diving Coaches Facebook group.

2. Once you have set up your team, have your divers create their own accounts and choose your school as their team.
3. Find our meet, AZ State Diving Qualifier, and follow the on-screen instructions for entering each diver's sheet.
4. Please be sure to enter your divers' sheets accurately. Your athletes may also log in and check their sheets, but only coaches can make changes.

Questions or problems? Ask via email [Murrish.keddi@cusd80.com](mailto:Murrish.keddi@cusd80.com) or post a question on our Facebook group: **AZ High School Diving Coaches**.
