AIA STATE TOURNAMENTS at High Seed Sites:

- ✓ Member schools must engage a qualified medical professional (QMP) or Emergency Medical Technician (EMT). One of the following three protocol options must be followed or payment may not be issued:
 1. If the ATC or other QMP personnel is employed by or contracted with the school district, the QMP can be assigned to fill the QMP position with the school district paying the QMP through their normal and customary method of pay. The school district may, after the event, *invoice* the AIA for reimbursement of QMP services provided, not to exceed the AIA contracted rate. This invoice information should be entered on TIER-Green Vendor Tab.
OR
 2. Within 48 hours of event, contact AIA Front Office Assistant, Jess Garcia for assignment of an ATC/QMP to the AIA event from the AIA cadre of contracted QMPs. The contracted ATC or Vendor will invoice the AIA for services provided. Jessica Garcia may be reached at 602-385-3810 Ext. 201 or at jegarcia@aiaonline.org
OR
 3. Utilize the host school ATC or other QMP personnel and compensate the QMP from school district funds without reimbursement from the AIA.

ATC/QMP will be not paid directly from the AIA TIER submission *only*. ALL AT services must be invoiced by: 1) the contracted AT, 2) the school which paid the AT through usual and customary method, or 3) the third party vendor which provided the AT services.

All Direct Pay – 1099 Contracted ATs must have a Certificate of Professional Liability Insurance on file with the AIA. Should any AT not be familiar with this protocol, they must contact the AIA prior to working any event.
