Section sizes may vary for a specific reason, including:

1. Per the request of certain districts, district schools were initially paired at minimum within the same section.
  - a. Phoenix Union – every sport Phoenix Union schools were placed in their own 10 team section within the same division
  - b. Mesa Unified – of the schools in the same division, these schools were placed together
  - c. Glendale Union – of the schools in the same division, these schools were placed together
2. If a school is in the same division for the same sport for both genders (boys and girls), that school would be placed in the same section within that division for both boys and girls as much as possible.
3. Geographical purposes to limit travel as much as possible, although, travel becomes unavoidable in the lower divisions for section placements
4. Result of the appeals
