**2015-2018 Team Sport Section Placements:**

The section appeals deadline for team sports has passed as of 2 p.m. on Tuesday, March 10. The list of schools appealing section placement is posted at [www.aiaonline.org](http://www.aiaonline.org)

The sections will be finalized by the AIA Executive Board during the meeting of Monday, March 16. Schools appealing do not need to be present as the Board will be reviewing based on paperwork received. However, if a school is present, the school may be able to speak to that appeal as well, should it be needed. The open meeting is set to begin at 10 a.m.

**Individual Sport Classification Process 2015-2018:**

Each sport advisory committee will meet to address each appeal related to their sport, which can be presented by the school or district in person, prior to appeals reaching the AIA Executive Board (if any are appealed to the Board by the school if denied by the respective sport advisory committee). The exception is the PUSD district wide appeal which will be heard by the AIA Executive Board.

The individual sport advisory committee meetings will take place during the week of April 6. The schedule for

**Brainbook Concussion Course Update**

**ATTENTION:** Administrators

- The AIA is working with Barrow Neurological Institute to incorporate Closed Caption for the online Brainbook Concussion Course. We are hoping to have this completed within the next few months. Currently, the Brainbook Concussion Course is available in both English and Spanish but we are looking forward to including Closed Caption as well. In the meantime, students will still be able to complete the course because the quiz at the end of the module is based on the written content, not the videos.

Please feel free to contact Ms. Michele Staples if you have any further questions at mstaples@aiaonline.org

**Cycle #2 - Service Charge Invoicing - in process**

**ATTENTION** Administrators

The 2nd of 3 annual Service Charge invoices will be issued in March.

The invoice will be for:

- Winter Sports Entry Fee:
  - State Spiritline
- Wrestling Qualifier
  - Game Change Service Charges
  - Officials Assigning Service Charges

This will be for all activity from 11/01/2104 through 02/28/2015.

Please bear in mind that some of the subsequent season (in this case, Spring) assigning fees or game change fees may be captured in this time frame. Just as some of the Winter assigning fees/game change fees may have been invoiced in Cycle #1 which ended 10/31/14.

The invoice will be for all services actually given during the time frame indicated on each invoice.

**If school or district requires, please have a purchase order in place.**

### Service Charge Invoice - Access to data detail for service charge line item on AIA Invoice:

**Attention** Administrators

The school has access to view the support data for the Service Charge invoice line items via the AIA Admin log in.

- Once logged in to the AIA Admin site click "accounting tab"

- Under the **accounting tab** - see tournament entry, game change fees, assigning fees tabs.

- The 2nd cycle activity compiled will be indicated on the invoice, *i.e. through 2/28/2015.* This includes all assigning and changes that took place by that point in time.

- The invoice may indicate assigning or game change service charges beyond Winter as the
beginning of the Spring sports were being assigned and/or changed prior to 2/28 ...or when 'the service took place'.

- The Spring activity cycle begins 3/01/2015.

If I may be of further assistance, please let me know.
