Important Dates
Ms. Lorie Tranter has worked at the AIA for 15 years, and Ms. Pam Eckert has worked at the AIA for 7 years... it is with heavy hearts and happy wishes that we say farewell to these two fabulous women.

They will both be retiring come July 1st. We have learned lots and shared many laughs with these two and they will be truly missed in the office.

Please keep them in mind and wish them both well as they take on new journeys in life.

On April 21, Florence High School received a delivery of 500 stadium lights from the Arizona Cardinals and Arizona Interscholastic Association (AIA). These lights were donated to FHS after the Cardinals and the AIA heard the story of Bill and Stephen McKane.

Dear Ms. Staples,
I wanted to reach out to you and thank you for AIA’s generous donation to Florence High School on behalf of my late husband, Stephen McKane. He truly loved his football team and would be so pleased to know that the AIA and the Arizona Cardinals are reaching out to the Florence Gophers to provide such a wonderful gift.

Though it has been just 19 months since he passed away, his legacy continues to grow in strength as organizations like yours recognize his passion and his love for the game & student-athletes. This gift means a lot to his own sons as well as it will help to light a sports complex that will bear their dad’s name. While we cannot bring Steve back- it is nice to know that he is remembered in such a wonderful way.

Thank you for the time it took to arrange this gift and for the thought that went into it.

All the best-

Kami F. McKane

**Brainbook Concussion Course Update**

ATTENTION: Administrators

- The AIA is working with Barrow Neurological Institute to incorporate Closed Caption for the online Brainbook Concussion Course. We are hoping to have this completed within the next
few months. Currently, the Brainbook Concussion Course is available in both English and Spanish but we are looking forward to including Closed Caption as well. In the meantime, students will still be able to complete the course because the quiz at the end of the module is based on the written content, not the videos.

Please feel free to contact Ms. Michele Staples if you have any further questions at mstaples@aiaonline.org

ATTENTION: Administrators and Coaches,

The first ever Arizona Interscholastic Association/Barrett Foundation Robotics State Championship event is quickly approaching.

It's been a successful robotics season so far, with more than 50 schools participating in our first annual sanctioned season of a popular national high school activity. We couldn't have pulled it off without the support of our member schools and contributors.

We want to thank all of the schools as well our title sponsor, the Craig & Barbara Barrett Foundation. AIA Sports Properties would also like to recognize Microchip, Avnet, Intel, ON Semiconductor, SRP, APS, Greater Phoenix Leadership, Sundt Construction, Ernst & Young, Pruitt Foundation, Steve Sanghi, William Harris, and John Kriekard for their support of the 2015 AIA / Barrett Foundation State Robotics Championship.

Our state championship event will be held May 23 at the Prescott Valley Event Center, beginning at 9:30 a.m. The event will be streamed live on azpreps365.com.
