**Officials Department**

The AIA Officials Department would like to take this opportunity to thank all of you for your hard work and dedication to the student athletes of Arizona, without you the contest cannot be played. As we are always in need of officials, please encourage your friends and fellow teammates to come join us for the upcoming year. The training is fun and the friendships you develop will last a lifetime.
The 2015-16 Registration Form will be available to download from our main website June 1st. This form will be in the FORMS folder under the officials tab. If you are a new official, you must have a fingerprint clearance before you turn in the form.

If you have any questions, please call Jeanie Kosower @ 602-385-3818.

Have a safe summer!

**Sollenberger Football Questionnaire**

**ATTENTION**: Football Coaches

Just a reminder to inform the football coaches to fill out their Sollenberger football questionnaire if they haven't done so already. We have had about 150 coaches answer it so far. Every coach that answers the questionnaire will have something posted about their team in the preseason Sollenberger football online magazine.

The Sollenberger magazine, which is named after the AIA's late historian Barry Sollenberger, has been around for 25-plus years.

Please contact Jose Garcia (jgarcia@azpreps365.com) for the questionnaire if you need it.

**Barrow Concussion Network Training Program**

The Barrow Concussion Network Training Program is designed to provide participants with fundamental knowledge of sports concussion education, research, and concussion consultation.

This program is presented in collaboration with AT Still University and Barrow Neurological Institute.

500 Stadium Lights to Florence High School

The Arizona Cardinals and Arizona Interscholastic Association Donate 500 Stadium Lights to Florence High School

On April 21, Florence High School received a delivery of 500 stadium lights from the Arizona Cardinals and Arizona Interscholastic Association (AIA). These lights were donated to FHS after the Cardinals and the AIA heard the story of Bill and Stephen McKane.

Dear Ms. Staples,
I wanted to reach out to you and thank you for AIA's generous donation to Florence High School on behalf of my late husband, Stephen McKane. He truly loved his football team and would be so pleased to know that the AIA and the Arizona Cardinals are reaching out to the Florence Gophers to provide such a wonderful gift.

Though it has been just 19 months since he passed away, his legacy continues to grow in strength as organizations like yours recognize his passion and his love for the game & student-athletes. This gift means a lot to his own sons as well as it will help to light a sports complex that will bear their dad's name. While we cannot bring Steve back- it is nice to know that he is remembered in such a wonderful way.

Thank you for the time it took to arrange this gift and
for the thought that went into it.

All the best-

Kami F. McKane

Please do not contact RefPay directly - as the school does not have an account with RefPay, the AIA is the master account holder - thereby all requests and contact must come through the AIA.

(Same as the basic quota allotment utilized in the past for minimum rule books).

- There will be no additional Rule Books invoices for Fall/Winter and Spring as in prior years.

- Only two rules books will be allotted to each school per sport by the AIA.

- **ALL ADDITIONAL RULE BOOKS / CASE BOOKS / SCORE BOOKS** are to be ordered directly from NFHS.

- NFHS publications available for direct purchase at [http://nfhs.org](http://nfhs.org)
