On behalf of the Arizona Chess Coaches Association, I would like to thank you for your interest in interscholastic chess. All participant schools are welcome to form a team and participate with other schools.

The state of Arizona is divided into 5 geographical regions:

Region I - Makes up all of the schools located in Northern Arizona.

Region II – Made up of the schools in the west valley (Phoenix area)

Region III - Is comprised of the schools in the East valley and extends towards the southeast corner of the state.

Region IV – Are the participant schools in the Tucson area

Region V – Is made up of schools in the vicinity of Yuma.

If you are interested in starting a team at your school, feel free to contact the region you may participate in, myself or any of the state chess representatives listed below.
