After completion of roll call, Mr. Mignella introduced all others present and outlined procedures to be observed during the meeting. He reminded the Council Members that Article 5, Section 5.2 of the AIA Constitution stipulates that a two-thirds (2/3) vote of the total Council membership (30 members) is required to amend the AIA Constitution and that a two-thirds (2/3) vote of the members present at a duly called meeting is required to amend the AIA Bylaws. Mr. Mignella continued by stating that Article 4, Section 4.5 of the AIA Constitution stipulates that a quorum must be present at a meeting for the transaction of business, a quorum being two-thirds (2/3) of the total membership. He concluded that a quorum was present since roll call reflected that 36 of the 45 Council Members were present. It was also determined, based upon the 37 members present, that a vote of 25 would be required for adoption of amendments to the AIA Bylaws. Mr. Mignella then reminded the Council that in accordance with Article 4, Section 4.5, Paragraph 4.5.5 of the AIA Constitution, proxy votes couldn't be accepted.

- Over 88% of the time a No. 1 to 4 seed has made it to the quarterfinals, and 64% of the time to the semifinals
- No. 1 through 8 seeds (161 brackets analyzed to date)
  - 75.8% of quarterfinals game spots (3.5% for No. 13 to 16 seeds)
  - 82.7% of semifinal game spots (2.5% for No. 13 to 16 seeds)

AZPreps365.com has three writers engaged in social media discussions, including a Public Relations team to provide feedback. AZPreps365.com is building a site that is easy to use and navigate on a phone and are continually working to enhance that experience.

Mr. Hines gave the council an update on the Spiritline competitions. Next year there will be an expansion from 2 to 3 state qualifiers. An addition of “Game Day” will also be added to the competitions available for schools to participate in. Game Day is a non-stunting, non-tumbling competition.

Mr. Hines also stated that the second state Robotics Championship will be held on May 14, 2016 at the Grand Canyon University Arena. The competitors will be using VEX Robots this year.
