Attaching the Timing Tag For Sectional Cross Country Meets

Timing tags are not disposable. They are the property of Wingfoot Finish and are to be returned after the meet. Coaches, please be aware that there will be a \$10.00 charge per tag not returned.

Athletes must wear their ASSIGNED timing tag in order to get an official time and place.

Attach the tag to a shoe. Make sure the number on the tag matches the assigned number. Attach the tag with the provided twist ties.

Coaches:

Please collect the tags from your runners after their races and return them (plus any extra twist ties) in the bag you were given at check-in. Unreturned tags will result in a charge of \$10.00 each.

Directions for attaching the tag to the shoe:

1. With shoe laced, thread the twist ties under the shoe laces.
2. Put the twist ties ends through the tag holes.
3. Twist the ends of the twist ties together so that the tag is snug against your shoe and stays in place.
4. Flatten the twist ties ends down to keep them from snagging on things.

When **removing the twist ties** either untwist them or use scissors/wire cutters to remove the ties. Do not just pull the tag off since this will often break the tag.

Sectional Shoe Tag Instructions for Coaches

Coaches: You are responsible for returning all of your assigned shoe tags in numerical order before you leave the meet. There will not be any sort of athlete corral to collect the shoe tags.

1. Inspect your team packet to ensure you received all your bibs and shoe tags
 - a. Immediately notify meet management if you are missing any shoe tags
 - b. Very important – this must be done before leaving the packet pickup area
 - c. You will be responsible for any missing shoe tags after you leave the packet pickup area
2. Distribute your shoe tags to all competing athletes
 - a. All athletes must wear their assigned shoe tag, as assigned on your team roster
 - b. Athletes that are not registered should not use someone else's shoe tag
 - c. Failure to properly distribute the bibs & shoe tags will result in inaccurate results
3. Athletes must properly secure their shoe tag as shown in the provided instructions
 - a. Do NOT put the shoe tag in socks, in your pocket, etc.
4. Shoe Tag Collection & Return
 - a. Each school is responsible for the collection & return of all their shoe tags
 - b. Tags must be returned in Numerical Order and kept together with one of the twist ties provided
 - c. Use your team roster to ensure none of your shoe tags are missing
 - d. We suggest you use your team managers / assistant coaches to collect the shoe tags from your athletes after they cross the finish line – there will not be a collection corral used
 - e. **Have a COACH return all of your shoe tags to EVENT MANAGEMENT at the same location you picked up your team packet – please refrain from sending an athlete to return shoe tags**

The following link (http://aiaonline.org/news/press_center.php) is to the AIA Media Center which houses the AIA Media Credential Form and the AIA Approved Media List (those that have requested and been granted AIA media credentials). Please download the AIA Media Credential Form and should a media member need access that is not on the media list, they will need to sign off on the form. Please print out several of the Media Credential Forms so each media outlet fills out its own form. Should the media member refuse to sign off on the form, they will not be granted access to the region or state tournament event you're hosting.

At the conclusion of the event, please fax or mail those forms to the AIA so that we may follow up and credential those people the approved media list will be updated as forms are received and processed. Please note that some members of the media might show up with Freelance Credentials.
