- You must be listed as the beach volleyball coach at your school, and your AD or AD Secretary can then send you an account invite

Next Steps

- Once logged in, select roster for beach volleyball
- Enter Your Roster One by One by clicking Add Player
 - Enter Jersey Number
 - Enter First and Last Name
 - Enter Position
 - Select Year
 - Enter Height
 - Select Team number
 - For each team, you'd select two players to be No. 1's for example to make up that team
- This will be frozen on Thursday, April 17, 2017 at Noon and will be able to see your roster for state visible on AZPreps365.com showing the players and their team number.
- You can edit this throughout the year up until the freeze
