**This year we will be using chip timing at the Section Meet**

- \* Shoe Tag will be distributed in Coaches packets
- \* Each school is responsible for the collection & return of all their shoe tags
- \* Tags must be returned in Numerical Order and kept together with one of the twist ties
- \* Use your team roster to ensure none of your shoe tags are missing
- \* We suggest you use your team managers / assistant coaches to collect the shoe tags from your athletes after they cross the finish line – there will not be a collection corral used
- \* Have a COACH return all of your shoe tags to EVENT MANAGEMENT at the same location you picked up your team packet – please refrain from sending an athlete to return shoe tags
