

At the beginning of each season golfer will want to contact all their friends and family to follow them throughout the season. Below are some sample scripts that golfer can use.

*Golfer's name is Taylor and her Potential follower's name is Uncle Jay*

**Golfer:** Hi Uncle Jay, this is Taylor, how are you?

**Follower:** I'm doing well, it is good to hear from you, how are doing?

**Golfer:** Doing well, I wanted to let you know that I made my high school golf team and am excited about the upcoming season.

**Follower:** Congratulations, when does your season start?

**Golfer:** We started practicing last week and our first tournament is in a couple of weeks. We have a really cool app now so that people can follow the tournaments live. It also shows rankings and statistics.

**Follower:** That sounds really awesome!

**Golfer:** My team is trying to get a lot of followers and I wanted to ask if you would support me and my team by following me this season?

**Follower:** Sure, what do I have to do?

**Golfer:** All you have to do is get the free app and buy a ticket for \$25, most of the money will go to my golf team.

**Follower:** Sounds like a good deal for you, your team and me.

**Golfer:** I can help you get the app right now if you have time.

**Follower:** Sure, what do I need to do?

**Golfer:** Go to the app store on your phone and search for AZPREPS365 Golf. After you find and install the app you can sign-up or log-in if you already have an account.

**Follower:** OK, I will put my phone on speaker to make it easier.

**Golfer:** After you get the app and log in you will choose "I am a Spectator" then my school, team "Boys, Girls or Coed" and my name from the list of players. Next you will have an option to purchase a single season ticket for \$25 or family season ticket for \$75. The family ticket is for 4 users including yourself.

**Follower:** You're right, this is a pretty cool app and easy to use.

**Golfer:** After you complete the purchase, an email will be sent to you, my coaches and I to let us know that my team and I have a new follower.

**Follower:** That is convenient and a nice feature.

**Golfer:** To find my events, just open the AZPREPS365 app, touch find a school and select my school from the list. Your ticket works for all my regular season events.
