AIA MEDIA CREDENTIAL POLICY

Site Director Responsibility

Media Application Process for AIA Media Credential:

AIA has a Media Credential Policy that needs to be followed to protect the proprietary rights of the Association and to protect the student-athletes and coaches at region and state tournament events. The following link (<http://aiaonline.org/news/press-center>) is to the AIA Media Center which houses the AIA Media Credential Form and the AIA Approved Media List (those that have requested and been granted AIA media credentials). Please download the AIA Media Credential Form and should a media member need access that is not on the media list, they will need to sign off on the form. Please print out several of the Media Credential Forms so each media outlet fills out its own form. **Should the media member refuse to sign off on the form, they will not be granted access to the region or state tournament event you're hosting.**

At the conclusion of the event, please fax or mail those forms to the AIA so that we may follow up and credential those people the approved media list will be updated as forms are received and processed. Please download the AIA Approved Media List (which is constantly being updated) so that those members of the media that are already approved may be granted access. Please note that some members of the media might show up with Freelance Credentials. These have no pictures on them, but do allow for access to the event per the designated media outlet on the AIA Media Credential.

Once again, please remember to download the AIA Approved Media and AIA School Media lists to use at the gates for signing in the media and school media.
