**Difficulty Judges Scoresheet:** teams will be rewarded for what they do have in their routine. Rubrics will be used to find the difficulty score; teams should use the difficulty rubrics to guide their choreography to max out points based on the team's ability. Difficulty scores will reflect the majority of the skills performed by the majority of the team. Soloist highlights may serve as a driver, but team skills will be the core of the difficulty score.

	POINTS	SCORE	COMMENTS
<b>Pirouettes</b>	5		
<b>Fouettes / A La Secondes</b>	5		
<b>Jumps / Leaps</b>	5		
<b>Complexity of Movement</b>	5		
<b>OVERALL IMPRESSION</b> <i>Appropriateness of music, uniform, and choreography</i> * <i>Impact of performance to create a lasting impression</i> * <i>Judge's impression of entire performance</i> * <i>Smiles/Projection</i> * <i>Energy/Enthusiasm</i> * <i>Eye Contact/Confidence</i>	5
