HeadStrong Concussion Insurance Program Created for

HeadStrong Concussion Insurance - Beginning with the 2016-17 school year, the AIA Executive Board was pleased to share that the AIA has secured HeadStrong Concussion Insurance as a reimbursable benefit of membership.

For a nominal \$1.50 per student athlete, the individual has 'first dollar' coverage (zero deductible) for concussion assessment and treatment.

2020-2021 is the fifth consecutive year that the AIA has partnered with Dissinger:Reed to secure this coverage at the same low rate.

'Even if' the parent does not have insurance, or has a higher deductible, this plan is in place. No longer does a parent or student need to worry about seeking treatment or assessment for a concussion based on insurance or cost. Dr. Slemmer is proud that the AIA Executive Board approved this very affordable benefit to the membership. This is a tremendous opportunity to provide initial concussion care without financial worry to athletes and their families.

HOW TO SUBMIT A CLAIM UNDER THE CONCUSSION PROGRAM

- 1) Submit the incident report within 30 days of the injury, or as quickly as possible.
- 2) Make certain that the incident report is completed in its entirety, including the policy number (JXS0000030634000), with accurate and detailed injury information and how the accident happened.
- 3) The incident report MUST BE SIGNED by a representative of the school. INCIDENT REPORTS WHICH ARE NOT SIGNED, WILL DELAY THE CLAIM.
- 4) Physician billings on CMS1500 forms and hospital/facility billings on UBO4 forms would be preferred as these forms contain all the necessary coding required to process a claim. See bullets #5 & 6 for additional instruction regarding bills.
- 5) If the injured participant has primary insurance, each bill should be submitted with the primary insurance Explanation of Benefits or denial.
- 6) If the injured participant has primary insurance, all providers should be informed of the primary insurance information, so they are billed first, and the K&K information for the concussion program insurance billed second.
- 7) When an injured participant does not have primary insurance, we have agreements through PPO networks that allow many bills to be reduced with contractual discounts. We encourage injured participants NOT to pay claims in advance of submitting them to us, so these discounts can be used.

IMPORTANT:

ATHLETIC TRAINER, ATHLETIC DIRECTOR, or other SCHOOL ADMINISTRATOR is the source for the Claim Form.

Email request to: ddoser@aiaonline.org

Claim Forms are not linked on the website for public access as they must originate with the school.

Frequently Asked Questions

Headstrong is an excess accident plan. What does that mean?

1. The Insurance will pay for covered charges after the primary insurance has been exhausted.
2. Also referred to as "secondary policy" - in that it will pay secondary to any primary insurance in place.
3. The insurance will also pay for any covered charges the primary insurance will not cover (including deductibles, co-pays, any other out-of-pocket charges).

How do I submit a claim?

Full details are provided in the Program Guide. You will need to fill out and submit a claim form (incident report), and Other Insurance Questionnaire to:

K&K Insurance/Specialty Benefits

I have primary insurance, what policy should I give to the provider?

It is best to give the provider BOTH: primary insurance information and the K&K information for the concussion program. The provider should then work directly with K&K to bill primary insurance first, and the Headstrong Concussion Insurance second.

On the claim form: Insured Representative. Who is a Member School Administrator?

This can be a school administrator, athletic trainer, coach or another school representative. It is best to have the school representative be a person who was present at the time of the accident.

Do I need a referral to see a concussion specialist?

There are no restrictions on specific doctors, and no referral is needed.

What is the policy deductible?

The policy deductible is \$0. The insurance offers first dollar coverage for concussion assessment and treatment. The insurance will pay for out-of-pocket costs remaining from the student's primary insurance (co-pay, deductible, treatment not covered), or will become the primary payor, if no other insurance is available.

I already paid the provider out-of-pocket, will the insurance reimburse me directly?

Yes. Please submit claim form, other insurance questionnaire, along with Bills and Explanation of Benefits to K&K Insurance. It is recommended to contact K&K Insurance prior to paying for services out of pocket.

What events are "covered events?"

Participating in practice or play of sports governed and/or sponsored by the AIA
