

Track advisory meeting, May 16, 2018

- 1- Roll Call
- 2- Minutes review from 2017 meeting
- 3- Review of State track meet:
 - a. Participation at state meet up.
 - 222 Schools had at least one participant
 - 2016—208 schools
 - 2015—212 schools
 - 2013—212 schools (when we took 26 per relay)
 - b. Three all time state records—Long Jump, 300 Hurdles, 4x400 relays
 - c. Question was asked by 26 and not 27.
 - d. Uniform shorts

Next year—Team camps to move to west half of practice field. We should have additional portable bleachers—from Florence USD. This will supplement the current two we rent from CUSD.

MaxPreps only vs using athletic.net as a back up.

- 4- AIA sponsored Individual state championships—following week. What day? ASU is out as it's being used for PAC12
- 5- New State format—Approved by the 6A conference. Advantage is we can start at 3:30 field, running events at 5. Be finished about 9:30. Save some money on rent—cooler for runners
 - a. Wednesday—Div 1 at MCC
 - b. Thursday—Div2 at ???
 - c. Friday—Div3 at MCC
 - d. Friday—Div4 at ??
 - e. Saturday all finals—similar to current format. (Split session times like Colorado??)
- 6- Flagstaff would like to have an official's clinic up north and try to get more certified officials.
- 7- Flagstaff would like to have altitude adjustments added to State Tournament Packet
 - a. Some concern by valley coaches that the new A.A. is way too lenient. Would like them more in line with NCAA.
 - b. New Mexico has no altitude adjustments. Colorado does not allow any out of state times to count for state qualifying—except for MVK marks.
- 8- From PUHSD—Wednesday meets, event cancellations—javelin. Also concerned about schools canceling their Wednesday meet obligations.
- 9- Schedules for 2019-2020. Made by conference.
- 10- Anything new from NFHS?
- 11- From the floor?
