State Dive Qualifier Entry Instructions:

We are using CleanEntries.com for State Qualifiers and State Championships. Please note that the first time you sign up, it will not be a fast process as all your divers need to sign up too. After you go through the setup process the first time, you will not need to setup again for subsequent meets. You will just enter dive sheets.

1. Go to <https://cleanentries.com/> to login or create an account if you are new to the site. If this is your first time registering you will need to add your team to the database. Please use the official name of your team when entering the full team name, and your 4-letter AIA school code for the abbreviated code. Codes can be found on the AIA website or the AZ High School Diving Coaches Facebook group.
2. Once you have set up your team, have your divers create their own accounts and choose your school as their team.
3. Find our meet, **AZ State Diving Qualifier**, and follow the on-screen instructions for entering each diver's sheet.
4. Please be sure to enter your divers' sheets accurately. Email any changes by 3pm, Thursday October 25 to Kristin.pruett@pcds.org

Questions or problems? Ask via email kristin.pruett@pcds.org or post a question on our Facebook group: **AZ High School Diving Coaches**.

ONLINE ENTRY DEADLINE: 3:00 pm, Sunday, Oct.21

NO Late Entries can be accepted.

All divers moving on to the State Championships will be automatically entered, there is no need for the coach to send another entry after the State Qualifier meet.

Divers will compete in the preliminary and semi-final rounds on either Thursday or Friday, depending on division. Finalists will come back on Saturday to compete in the finals, just as the swimmers do. There will be effective audio to ensure not only the divers, but the spectators will be able to hear the event. Enforcing the AIA Media Credential Policy

Media Application Process for AIA Media Credential:

AIA has a Media Credential Policy that needs to be followed to protect the proprietary rights of the Association and to protect the student-athletes and coaches at region and state tournament events. The following link (<http://aiaonline.org/news/press-center>) is to the AIA Media Center which houses the AIA Media Credential Form and the AIA Approved Media List (those that have requested and been granted AIA media credentials). Please download the AIA Media Credential Form and should a media member need access that is not on the media list, they will need to sign off on the form. Please print out several of the Media Credential Forms so each media outlet fills out its own form. **Should the media member refuse to sign off on the form, they will not be granted access to the region or state tournament event you're hosting.**

At the conclusion of the event, please fax or mail those forms to the AIA so that we may follow up and credential those people the approved media list will be updated as forms are received and processed. Please download the AIA Approved Media List (which is constantly being updated) so that those members of the media that are already approved may be granted access. Please note that some members of the media might show up with Freelance Credentials. These have no pictures on them, but do allow for access to the event per the designated media outlet on the AIA Media Credential.

Once again, please remember to download the AIA Approved Media and AIA School Media lists to use at the gates for signing in the media and school media.

Site Director :

- For postseason rounds of AIA state championships, the host school/site should cooperate with news media representatives in providing them access to a work area following an AIA state championship contest to aid in filing reports on the contest.
- Schools/host sites are required to allow entry to any properly credentialed media entity for a postseason contest.
- **The AIA operates under a closed locker room policy at all AIA events. At no time will media representatives be granted this access. Team boxes, team benches, team huddles and dugouts are considered extensions of locker/dressing rooms.**
