IV. NEW BUSINESS

A. Schedules

Fall-Winter-Spring Schedules – **do you want region chair to assign games or allow AD's to find freedom games, majority want AD's to schedule freedom games, but it is from time to time a pain to get a full schedule or even enough games to qualify for State – We have to stay with it and continue to communicate with schools, region chair will assist if needed, he will make schedule changes or additions for schools that have communicated**

AIA cut-off, 6 weeks prior to contest? – **This was stated in an email, but didn't stand out, difficult to do at start of year, but we think it may be good for the rest of the year, communication on this was poor, maybe we could have a cut-off date for fall sports and then go with the 6 week window**

B. Section Tournaments This Year

Volleyball – **North broke out, Central to be held in Ash Fork on Oct. 26 with high seed games on 10/23**

Basketball – **North broke out, Central to be held in Joe City on Feb. 1 with high seed games on 1/29-30**

C. AIA State Tournament and Website

Go to AIA website, AzPrep365 Tournament Guides – Brackets Use this site – **Use these sites**

D. AIAAA Meeting and New Business for the 1A Conference- in Prescott 9/8-11

Conference Concerns – **scheduling how are the other regions doing, are all having regional tournaments, overlapping seasons**

State Playoff teams-venues, changes to basketball and # of games for baseball/softball(12) – **all in favor of reducing required # of games for State in baseball/softball from 14 to 12 due to number of teams playing and pitch count and scheduling issues and etc., Did the State Tournament change happen conference chair is working on it all regions are prepared for change – St. Michael would like to see Window Rock considered for host the State BB for the 1A, seating at venues is always a concern along with parking and motels**

V. OTHER BUSINESS

Fall Hardships – New 550 form for all transfers – **new form is much better than the previous ones**

Seligman JV games VB-BB – **Seligman asked for these last year and chair was unable to add on computer, it has been approved by the AIA now and they will be scheduled through Ash Fork-please help them out to give them some JV volleyball and basketball games**

Required AIA AD and Coaches Meetings – Handouts – **6-8 hour drive is still not worth it for an hour of info. why can't these be like the fiscal inservice and available through a webinar? It is required, send a rep that can go to represent your school-Make sure you take fiscal inservice if possible for you to host a State game**

Our next meeting – 10/25/18? Fall coaches-All region selection – **Move to Monday, 10/22, bring FB and VB coaches**

VB/FB/BB/BA/SB All-Region Awards Plaques for Tournaments/Coaches/AD-will have for next meeting, Ash Fork will purchase for Central, North will have to do the North if they choose to do so. – **St. Michael takes care of this for the North and Ash Fork will do it for the Central**
