

So you're ready to begin your esports experience from your school. Excellent!  
 Now you'll want to ensure your hardware meets the minimum requirements for each game. We have compiled a list of the minimum and recommended hardware specs for the games offered through the HSEL platform.

### System requirements for any PC games offered by the High School Esports League

(Note: Not all games will be offered for play in your state. Please check with your State Association for the official game offering in your state.)
