**AIA Policies & Procedures Fiscal In-Service UPDATE**

**2020-21**

**IMPORTANT**

The required Policies & Procedures Fiscal In-Service is transitioning to On-Line Courses and Lessons.

These Lessons will follow the previous Fiscal In-Service model but will have individual modules that may be viewed at any time, and repeated as necessary.

The system will monitor, log, and report participants and their progress through the Course.

For **2020-21** ALL Athletic Directors, both new and returning veterans, will need to complete **ALL Lessons**.

This will:

1. Establish a base line data base for all Athletic Directors and Administrative Personnel

2. Veteran ADs have shown that a 'refresher' or 'reminders' in many of the fiscal areas has been needed for many years, as many procedures have been updated through the years

3. Allow for re-visiting one particular topic for clarity

All AIA member school Athletic Directors, Athletic Secretaries, Athletic Assistants and any other Administrative Support Staff will be notified as soon as the Course and Lessons go live.

These will be accessed via your AIA Administrative Login - similar to the Coaches Meetings, and other instructional modules.
