SITE ADMINISTRATOR HOST SITE GENERAL INSTRUCTIONS:

Locker Room Availability
High school hosts for AIA Girls State Volleyball games are to create locker room availability for participant teams.

If at all possible, school teams that will be opposing each other in a match should be assigned to locker room facilities that are separate from one another.

The AIA expectation is that each school team will be greeted upon arrival by the site director or their representative and go with the team to the locker room/dressing area that has been assigned to the team.

Locker Room Security
Players and teams will be required to carry and protect their own belongings from time of arrival at the arena until departure. School teams are expected to have their players bring all of their belongings with them to the competition gym. All team related items must be stored behind the team bench during competition, unless a host school has a locked and secure room to insure the safe storage of team items.

It is acceptable for a site host school; if there will be multiple state tournament matches at your site, to assign more than one team to a locker room. If at all possible, school teams that will be opposing each other in a match should be assigned to locker room facilities that are separate from one another.

School team’s coaching staffs are expected to supervise the locker room their team is assigned to during all times that their school’s players are in the locker room.

Pre-court stretching/warm-up
The host sites are not required to provide an auxiliary gym for stretching or warm-up prior to a team’s game. If an auxiliary gym is available for pre-game stretching and warm-up, the site director is expected to inform the visiting teams of the facility space available upon the visiting team’s arrival and check in.
- A school’s coach shall be in attendance and with the team during all warm-up sessions.

Scorer Table Requirement
Each high seed host tournament site is required to provide a scorer table team that includes an announcer, scoreboard/timer, scorebook keeper and libero tracker. These positions must be filled by four separate AIA paid individuals. Scorer tables are expected to utilize current NFHS official scorebooks, NFHS libero tracking sheets and NFHS volleyball roster/team lineup forms.

During the officials meeting, it is possible that both teams might indicate they do not utilize the libero player with their game strategy. If this happens, the libero tracker simply will be idle during the match.
Game Ball Rotation
At all AIA Girls State Volleyball Tournament sites, a minimum ball rotation of two Wilson volleyballs, utilizing ball shaggers, is required to speed up game play. If any site director needs assistance to train the ball shagger rotation crew, please contact Brian Gessner, AIA Commissioner of Officials.
- Each high seed host site will receive two Wilson K1Gold volleyballs (or Wilson ICOR in early rounds) to insure that Wilson game balls are the only brand of volleyballs utilized in the AIA State Girls Volleyball Tournament.

EMERGENCY/MEDICAL HOST SITE REQUIREMENTS
- Every school must have an emergency action plan in place and submitted to the AIA in order to host a post season tournament. Please go to link for the Anyone Can Save A Life - Emergency Action Plan at:
  http://www.greatapes.com/acsal_eap/course/1.php

Per AIA Executive Board approved policy, AIA Member schools must engage a qualified medical professional (QMP) or Emergency Medical Technician (EMT) for all AIA State games at high seed site locations.

At all AIA managed State games at neutral site locations, the AIA has the responsibility to engage a qualified medical professional (QMP) or Emergency Medical Technician (EMT) at the neutral site.

IF THERE IS NO QMP OR EMT AT THE GAME, THE GAME WILL NOT BE PLAYED.

QMP means:
- ATC - Certified Athletic Trainer
- MD - Medical Doctor
- DO - Doctor of Osteopathic Medicine
- NP - Licensed Nurse Practitioner
- PA - Licensed Physician’s Assistant

(QMP as defined by Arizona Revised Statute 15-341)
- If a school does not have a QMP or EMT and the opposing school does, in order for the game to proceed, the QMP or EMT agrees to cover the opposing school as well as their own school.

Method of Payment for QMP/EMT:
- Refer to http://aiaonline.org/about/procedures-manual QMP/EMT Coverage/Protocol instructions.

- NOTE: If ONLY an EMT is at the game, any player removed due to suspected head injury or concussion will not be allowed to enter or re-enter the game based on an EMT evaluation. Return to play or practice can only be based on evaluation by a QMP (Arizona Revised State Statute 15-341).

- Required 48 hours Notice:
  - If you are unable to provide for a Qualified Medical Professional (MD, DO, Physician’s Assistant, Nurse Practitioner or Certified Athletic Trainer) or an EMT to be at your game, please contact AIA Office Assistant Jessica Garcia (602-385-3810 X201) jegarcia@aiaonline.org for assistance.
TEAM GENERAL INSTRUCTIONS

MEDIA CREDENTIAL POLICY

Site Director Responsibility

Enforcing the AIA Media Credential Policy

MEDIA CREDENTIAL POLICY

AIA has a Media Policy that needs to be followed to protect the proprietary rights of the Association and to protect the student-athletes and coaches at region and state tournament events. The following link (http://aiaonline.org/news/press_center.php) is to the AIA Media Center which houses the AIA online media credential form and the AIA approved media list (those that have requested and been granted AIA media credentials). The editor/manager of an outlet already granted access to AIA media credentials must go online and order credentials for a member of the media not on the master list. Please note that some members of the media might show up with freelance credentials. These have no pictures on them, but do allow for access to the event per the designated media outlet on the AIA media credential. Additionally, all member schools were allotted a number of school-based credentials for the school year. These will allow admittance equal to a media or freelance credential.

Once again, please remember to download the AIA Approved Media and AIA School Media lists to use at the gates for signing in the media and school media.

Site Director:

- For postseason rounds of AIA state championships, the host school/site should cooperate with news media representatives in providing them access to a work area following an AIA state championship contest to aid in filing reports on the contest.
- Schools/host sites are required to allow entry to any properly credentialed media entity for a postseason contest.
- The AIA operates under a closed locker room policy at all AIA events. At no time will media representatives be granted this access. Team boxes, team benches, team huddles and dugouts are considered extensions of locker/dressing rooms.
