## Hosting a State Qualifying Meet

Those Schools who wish to host a state qualifying meet will have to send a coach or meet director to the Mandatory Coaches meeting in the spring. This meeting will take place after the open session for coaches of Track and Field is completed on February 2, 2019. At this meeting rules, procedures, and application will be available.

Hy-Tek must be used to export qualifying data to MaxPreps within 72 hours after completion of the meet.

**A back up copy of the meet and the post meet form must be emailed to Sue Hysong, at chsyong@cox.net within 96 hours after the completion of the meet.**

It is the coaches’ responsibility to confirm results for athletes are correct. A coach has seven calendar days after the meet to question results. After this time there will be NO changes allowed. IF a coach has a question, an email needs to be sent to Dave Shapiro at Dshapiro@aiaonline.org within these seven days.

It is also the coaches’ responsibility to check state rankings on maxpreps.com throughout the season.

A listing of all qualifying meets will be found at [www.aiaonline.org](http://www.aiaonline.org) under Coaches→:Track.

RULES

Rules shall be those of the current National Federation Track and Field Rule Book with exceptions noted in the AIA Constitution and Bylaws and these tournament instructions.

GENERAL INFORMATION

- Coaches will remain in the stands; under no circumstances should coaches come onto the field.
- Participants will be assigned designated areas at each site and shall remain in those areas. Participants will not be allowed on the field unless participating.
- Sportsmanship Rule will be in effect and is in continuation from regular season. (Refer to the AIA Constitution and Bylaws, Article 16, Section 3)
- Field Event Contestants shall report promptly to the event judge at the designated location when the event is called. A contestant shall be charged with an unsuccessful attempt if he/she does not complete the trial or indicate his/her passing it within one minute after he/she has been called for a trial, unless he/she has been excused by the event judge to participate in another event.
- Starting blocks will be provided at the state meet.
- All pole vaulters will be weighed prior to the start of their competition. Athletes must be in uniform and have their shoes.
- Pole vault poles will not be allowed to be used unless an appropriate weight label is on that pole per National Federation rules.
- 34.92° sectors will be used in shot put and discus for all divisions.
- The meet director will determine the procedure used in the long and triple jump.
- Spikes must be 1/8 to 1/4 inch in length; long spikes are unacceptable.
- Throwing implements (shot/discus) will be provided for all Divisions. No school or personal implements will be permitted during competition. (Should a competitor have a special, high tech discus, not merely a personal favorite, that discus can be given to the Head Field Judge no later than one (1) hour prior to the scheduled competition to be weighed, measured and certified. It will then be kept by the Head Field Judge, placed on the rack of implements to be used in competition, and be available for use by all competitors.)
- Neither the AIA nor the host site shall be responsible for lost or stolen articles.
- Any coach or competitor using tobacco, alcoholic beverages, or misusing drugs at the tournament site during athletic contests sponsored by AIA shall be disqualified from the contest. (Refer to the AIA Constitution and Bylaws, Article 14, Section 14.13)
- Locker room facilities will not be available.
- No field event warm up can commence till an official is at the event venue.
- Unfortunately, events will not be changed to accommodate outside events (i.e. testing, graduation, personal conflicts, etc.)
- Electronic devices may be used in unrestricted areas and coaching boxes, providing the location does not interfere with progress of the meet as determined by the meet referee.
GENERAL INFORMATION (CONT.)

- For eligibility at the State Championships in the long jump, triple jump, or any race that is not run around the complete oval of the track, a wind gauge recorded speed indicating any assisting wind did not exceed an average velocity of 3.0 meters per second is required.

- Any substitutions in a relay must come from the six names listed in the maxpreps declaration (or any corrections emailed by 5/4 to Sue Hysong). Any athlete that is substituted into the relay that is NOT on this list will result in disqualification of the relay team from the event and team results.

- The 4x100 Relay will now use the 30 meter zone.

ELECTRONIC DEVICES

- Electronic devices shall not be used to transmit information to the competitor during the race or trial. Once a field event athlete's name has been called and their trial begins, that athlete may NOT view any video with or without a coach.
- Electronic devices/videos shall not be used for any review of an official’s decision.
- Meet management will allow the viewing of video by a field event athlete after the beginning of a trial only if the competitor is taking consecutive trials. This does not change the amount of time the athlete has to initiate a trial.

NO PETS ARE ALLOWED—unless they are service animals. Comfort animals will not be allowed into the facility at Mesa Community College.

Spike Lengths: Spikes are to be ¼” or less. The javelin will be competed off of runways and any spikes exceeding that length will be impounded.
UNIFORM SHORT RULING

Since the National Federation made compression shorts a legal uniform bottom, many of the shorts that were previously worn as undergarments are now worn as a team’s uniform bottom. This change, coupled with the increasingly common practice of individual athletes purchasing their own matching color compression shorts to wear as their team uniform, has presented the following challenge when applying rule 4-3-1 (5c) addressing manufacturer’s logos. Many of the compression style shorts, whether purchased by athletes or the school, have waistbands sporting multiple and/or oversized manufacturer logos. Often, the waistbands are not seen until an athlete is participating in an event. Or the infraction is revealed when they are asked to tuck in their uniform top before a race so hip numbers are clearly visible in the picture of the finish. The AIA is asking coaches and athletes to solve this violation by tucking the waistband inside of the short and stitching the band permanently in this position, sewing a matching solid color material over the band to cover the logos, or any other permanent solutions that will not allow the logos to be seen. Officials that observe this violation prior to the contestant becoming a competitor will not allow athletes to compete until the athlete changes the uniform or makes the uniform compliant with a permanent solution. AIA supports the intent of the logo rule (athletes not advertising for various manufacturers), it also does not want this issue to prevent athletes from competing or incurring additional expenses with the purchase of a different uniform. Coaches, please inform your athletes of the uniform rules and have them resolve any violations prior to competition.

Pole Vault coaches box Certification requirement.

This year anyone who is in the coaching box at the state meet will be required to show proof of one of the following two Pole Vault courses. A copy of the certificate will need to be emailed to dshapiro@aiaonline.org by Friday, April 19.

- Three heats: Heat winners and next six times.
- Two heats: Heat winners and next seven times.

PACKET PICK UP

At MCC school packets can be picked up at the team check-in area at the Team Entrance Gate. Note the location on the map included in this tournament guide.
TEAM CHECK IN
- Each member school will receive a maximum of four (4) coaches’ wristbands per gender for a total of eight (8). Each school will also receive two (2) additional wristbands for your school manager/statistician. The wrist bands will be updated each day with a new color for that specific day and will not carry over to the next day. Only coaches listed on the coaches list will be admitted through the pass gate and will need to check in at the tent located near the SW entrance of the stadium. The team check in table will screen athletes and coaches for the proper wristbands and bib number for each participating athlete. All coaches must have the appropriate color wristband and the athletes’ must have their state championship bib number.
- Roster of Coaches and Manager for wrist bands are due on Friday, April 17. Email list to Dshapiro@aiaonline.org. Please use excel for this listing if possible.

WARM UP AREA
- At MCC the athlete warm up area is the field south of the complex.

BULL PEN / STAGING AREA
- At MCC the bull pen is located SOUTH of the east bleachers. All check in, hip numbers and staging will take place at this location.
- Please note that cell phones, iPods, and other musical devices are not allowed in this area. Athletes should be “competition ready” (warm ups removed, dressed in a legal uniform, spikes on, etc. upon arrival to the staging area.)

MEDIA CREDENTIAL POLICY

AIA has a Media Policy that needs to be followed to protect the proprietary rights of the Association and to protect the student-athletes and coaches at region and state tournament events. The following link (http://aiaonline.org/news/press_center.php) is to the AIA Media Center which houses the AIA online media credential form and the AIA approved media list (those that have requested and been granted AIA media credentials). The editor/manager of an outlet already granted access to AIA media credentials must go online and order credentials for a member of the media not on the master list. Please note that some members of the media might show up with freelance credentials. These have no pictures on them, but do allow for access to the event per the designated media outlet on the AIA media credential. Additionally, all member schools were allotted a number of school-based credentials for the school year. These will allow admittance equal to a media or freelance credential.
