- All players must have participated in at least 50% of the matches they were eligible to play.
- No Consolation Bracket
- 8 AUTOMATIC ENTRIES…Top 8 power ranked teams at the end of the season (Apr. 22) will enter one singles player and one doubles team.
- 16 AT-LARGE ENTRIES…The remaining 16 singles players and 16 doubles teams will be selected by the Tennis Advisory Committee. All teams, including the top 8, can submit a tournament entry for a singles player and/or doubles team for consideration in to the draw. Selections for these entries by the Tennis Advisory Committee are final with no appeals.

The information on the entry form is critical in assisting the Tennis Advisory Committee in selecting the strongest players for entrance into the individual tournament. Coaches should fill out the entry form with as much information to best advocate for their players.
State Individual Tournament Selections

- ONLY make state selections for a singles or doubles team if you believe they would be selected to the 24 participant singles or doubles tournament.
- Making an entry does not guarantee the participant(s) will be selected to the 24 participant singles or doubles tournament.
State Individual Selections

• For state, the link for “Make Your State Selections” set within the roster page by Thursday, April 16 at 8:00 p.m.

• Click that link to select your singles and doubles team to enter into state
