➤ **SPIRITLINE COMPETITIONS**

- Concerns from coaches regarding new rules and the potential loopholes that could be created for competitors.
 - Ashley Gronewold sent an email explaining the differences between deductions and penalties that are applied to the final scores.
- No safety issues or concerns felt from the Spiritline Committee and Tournament Coordinator.
- Tech Judges are present at both the State Qualifying and State Championships.

➤ **OPIOID EDUCATION COURSE UPDATE**

- SweetRush has completed the Spanish version of the Opioid Education Course
- Opioid Education Course will be presented to the Executive Board at the February 18th meeting for approval.
 - Will be a required course beginning the 2021-22 school year.

➤ **SPORTS MEDICINE POLICY ENFORCEMENT**

- Discussion regarding how to track when schools are using their Emergency Action Plans (EAP)
 - Date/Time/Location

➤ **LEGISLATIVE PRIORITIES**

- Discussions regarding the multiple bills that have been presented could have impacts on students and medical professionals.

➤ **PPE TASK FORCE**

- A preliminary task force has been formed
 - 3 residents have been tasked to review the current policies
- There will be discussion at the Athletic Director meeting regarding the Pre-participation Physical Exams and the requirements associated with them.
