Upon resumption of competition those students impacted by the 50% transfer rule will regain their eligibility at that time, provided all other eligibility requirements have been met. For the full release [click here](#).

We will continue to monitor the communications from the governor's office, as well as the state health department, and consider recommendations as they come.

**EXCEPTION TO ARTICLE 24.5 - FOOTBALL****24.5 NUMBER OF GAMES IN SEASON**

24.5.3 *No player shall participate in more than ten football games per season, excluding qualifying and post-season tournaments.*

24.5.3.1 *EXCEPTION: 2A and 1A schools, because of their limited enrollment, may permit a player to participate in 50% more matches or games than the regularly scheduled matches or games per season, excluding qualifying and post-season tournaments.*

*EXCEPTION: 3A players may participate in 6 quarters per week during the regular season.*

Due to the movement in football conferences and limited enrollment, Benjamin Franklin, is requesting an exception to Article 24.5 in allowing players to play up to 6 quarters per week at the 4A level. Because of limited participation, it will be difficult to run a JV football program. In the past, the rule has been at Ben Franklin that if a player does not start on varsity, they would play 2 quarters of JV. Thus, allowing them to develop against equitable competition and size. This rule change would allow our players to develop through the JV program and fill in on special teams for the varsity team. If the rule does not change, our typical JV players will be moved up to Varsity full time to supplement special teams and will not get valuable reps on offense or defense.

On a motion made, seconded and carried the Executive Board **approved** an exception for any 3A school that moved up to 4A may participate in 6 quarters per week for the 2020-2021 school year.

**EXCEPTION TO ARTICLE 15.15 – INTERNATIONAL STUDENT ELIGIBILITY**

**15.15 INTERNATIONAL STUDENT ELIGIBILITY** – Prefatory Statement: In an effort to preserve and promote interscholastic competitive opportunities for Arizona students and further the goals of competitive fairness and equity, and recognizing the concerns of AIA member schools related to displacement of Arizona students by students from foreign countries, the following bylaw addresses the interscholastic eligibility status of international students attending an AIA member school:

15.15.1 **Foreign Exchange Students:** A foreign exchange student is a student that is in the U.S. under a J-1 Visa, and who is placed in a school by an educational exchange program approved by the Council on Standards for International Educational Travel (CSIET). A foreign exchange student is eligible at a school in the attendance zone of the home in which the student is placed. A foreign exchange student must meet all other eligibility requirements and is eligible for a maximum of one school year.

Mountain Pointe High School is requesting a foreign exchange student be given the opportunity to participate on the track and field team. The student was placed in the home of a current junior at Mountain Pointe High School by the “International Student Exchange” which is on the CSIET list. The family resides in the Corona del Sol boundaries, however, their daughter has been attending Mountain Pointe since her freshman year and has participated on the track and field team every year.

On a motion made, seconded and carried the Executive Board **approved** the above request from Mountain Pointe High School.

**SCHOOL VIOLATIONS****MOHAVE ACCELERATED LEARNING CENTER**

*Rule: Article 17. Coaches and Coaching, Section 4. Coach's / Sponsor's Code of Ethics (17.4.2.1)*

*Rule: Article 2. Membership. Section 6. Responsibility of School Administrators (2.6.2.1)*

**Reported Violation:**

Assistant coach approached referees after the game was over, before they left the court. He was asking their names and as they attempted to walk by him, he put both hands up with his palms open in an effort to stop them from leaving. He made contact with the chest of one official. As the AD stepped between him and the official, he then followed the referees and AD into the locker room area, still yelling at the officials. AD again told him to leave, so he did.

**Schools Corrective Action:**

Assistant coach has been suspended for the remainder of the season. All coaches will receive extra PD regarding treatment of officials before, during and after game protocol. AD will ensure that 2 administrators tend to officials when the final buzzer sounds, rather than 1 as was in the past.

**Executive Board Action:**

Executive Board, in accordance with Article 16, Section 1 of the AIA Bylaws, placed the Mohave Accelerated Learning Center **Boys' Basketball Program** on **Warning** for one year 3/16/20-3/16/21.

**PATAGONIA UNION HIGH SCHOOL** – *Patagonia Union High School District*

*Rule: Article 2. Membership. Section 6. Responsibility of School Administrators (2.6.2.3)*

**Reported Violation:**

Fan from PUHS threw a water bottle onto the playing floor near the baseline during the last stages of the play in game vs The Gregory School.

**Schools Corrective Action:**

In the coaches meeting before all sports season this kind of behavior will be addressed, and we will discuss the negative connotations involved. The fan can be told that they cannot be present at the state playoff games in Prescott if you direct me to do so. The fans in that area were addressed right after the incident by me, and I warned them not to do it again. I sent the individual that threw it to go pick up the bottle so the refs could identify the individual.

**Executive Board Action:**

Executive Board, in accordance with Article 16, Section 1 of the AIA Bylaws, placed the Patagonia Union High School **Activities Program** on **Warning** for one year 3/16/20-3/16/21.

**SCHOOL VIOLATIONS** – Cont'd**HOPHI HIGH SCHOOL** – *Hopi Jr/Sr High School*

Rule: Article 15. Student Eligibility Rules, Section 10 Transfer Rule

**Reported Violation:**

A student on our girls' basketball program transferred from Flagstaff HS following her freshman year. While at FHS, she resided in the BIA Dorm. Her family resided within our district boundary. She transferred to Hopi to begin her sophomore year. The athletics' staff and coaches didn't catch that she was a transfer student. Therefore, she did not sit out the required first 50% of power pointed games and participated in the first 5 games of the season.

**Schools Corrective Action:**

Contest forfeited. Since we had 19 games on our schedule, the student sat out the next 10 scheduled power pointed games (Jan 7 – Jan 30). All coaches in the girls' basketball program at Hopi High School received additional training over the student eligibility requirements. Hopi High School has also evaluated and implemented improved procedures to safe guard against this type of oversight. We created a report within our student information system that will notify the athletics office.

**Executive Board Action:**

Executive Board, in accordance with Article 16, Section 1 of the AIA Bylaws, placed the Hopi High School **Activities Program** on **Advisement** for one year 3/16/20-3/16/21.

**COMBS HIGH SCHOOL** – *J.O. Combs Unified School District*

Rule: Article 15. Student Eligibility Rules, Section 4 Academic Rule (15.4.1)

**Reported Violation:**

On Friday, February 14, at 10:36 am, I received an email about a wrestler that was participating at the state-wrestling tournament with a failing grade. This wrestler was previously removed from the roster earlier in the season; my administrative assistant and I were unaware that the wrestler had reestablished his position on the team, which is why his eligibility was not verified prior to the sectional wrestling tournament. Once all of the information was gathered and verified I contacted the head coach to let him know the athlete would need to forfeit his matches at the state tournament.

**Schools Corrective Action:**

Contest forfeited at the state tournament. I will review our policies and procedures for dealing with grade checks for students during our two-week window. I will meet with the coaches to review policies and procedures determining if the athlete has been cleared for participation and making sure that all athletes that have been cleared before participation is allowed.

**Executive Board Action:**

Executive Board, in accordance with Article 16, Section 1 of the AIA Bylaws, **accepted** the violation submitted from Combs High School.

**SCHOOL VIOLATIONS** – Cont'd**WALDEN GROVE HIGH SCHOOL** – *Sahuarita Unified*

Rule: Article 17. Coaches and Coaching, Section 3 Completion of Contest – Ejection of Coach (17.3.1.1)

**Reported Violation:**

Varsity boys' soccer coach received a red card during a playoff game and left the playing surface but went to the stands instead. There were no other issues during the game. Coach thought that is where he needed to go.

**Schools Corrective Action:**

We have talked and will make sure all coaches are aware of where they need to go after an ejection during a game either at home or on the road.

**Executive Board Action:**

Executive Board, in accordance with Article 16, Section 1 of the AIA Bylaws, placed the Walden Grove High School **Boys' Soccer Program** on **Advisement** for one year 3/16/20-3/16/21.

**SAFFORD HIGH SCHOOL** – *Safford Unified*

Rule: Article 15. Student Eligibility Rules, Section 7 Physical Examination Rule // Section 8 Parental or Legal Guardian Consent Rule (15.7.1) (15.8)

**Reported Violation:**

Head boys' track coach permitted a student to participate in practice without proper clearance from the Athletic Department. Specifically, the student's name was noted as "not cleared" on the document – no physical on file, no parent consent, or other SHS paperwork. The same clearance process has been in place for the past four years. Though there was no malicious intent by the head coach, he acknowledges failure to adequately check the clearance document when creating the attendance log.

**Schools Corrective Action:**

The head coach was required to meet with the AD for two meetings/trainings following the violation to review school policies, AIA Bylaws and received discipline. As a veteran coach, he understands the bylaw and acknowledges his mistake. He established a more effective system for initial clearance of athletes and creation of daily roll-call. He was issued a letter of reprimand to remain in his file. Additional infractions may constitute a relief of duties as coach.

**Executive Board Action:**

Executive Board, in accordance with Article 16, Section 1 of the AIA Bylaws, placed the Safford High School **Boys' Track and Field Program** on **Warning** for one year 3/16/20-3/16/21.

**SCHOOL VIOLATIONS** – Cont'd**MARCOS DE NIZA HIGH SCHOOL** – *Tempe Union High School District*

Rule: Article 15. Student Eligibility Rules, Section 7 Physical Examination Rule (15.7.1)

**Reported Violation:**

Head softball coach allowed a student athlete that was not cleared through the Athletics office to practice without having a physical on file.

**Schools Corrective Action:**

Site AD met with head coach to ensure that the current athletics clearance process is understood and implemented. Prior to the start of each season, the site AD meets with coaches to review district, site and AIA policies. A follow-up email will be sent to all coaches in regard to the Athletics clearance process in addition to the requirement of using Register My Athlete to verify the status of a student-athlete.

**Executive Board Action:**
