OVERALL EXCELLENCE AWARD

(AIA Bylaws; Article 13, Section 13.2)

The E.A. Row, Don F. Stone and H. A. Hendrickson plaques and banners are awarded annually by the Arizona Interscholastic Association (AIA) Executive Board for overall excellence in interscholastic competition. Excellence is determined by a point system approved by the AIA Legislative Council. These awards commemorate the outstanding service of the Executive Directors who have served the AIA since its organization in 1925.

Mr. Row, Superintendent of Tempe Union High School District, was Executive Director from the inception of the AIA until his death in 1951. He was succeeded by Mr. Stone, Principal of West Phoenix High School. Mr. Hendrickson became the AIA's first full-time Executive Director on June 11, 1964.

The Row award, which was established in 1969, is presented to a 1A Conference school. The Stone award, which began in the fall of 1964, honors a 2A Conference and a 3A Conference school. The 4A Conference and 5A Conference award is named in honor of H. A. Hendrickson and was first presented in 1975.

TONY KOMADINA AWARD
FOR
OUTSTANDING GIRLS' ATHLETIC PROGRAM

(AIA Bylaws; Article 13, Section 13.3)

In 1987 the AIA Executive Board established the Tony Komadina Award for Outstanding Girls' Athletic Program to recognize schools that demonstrate advocacy of, and progress in, girls' athletics. Mr. Komadina served as Executive Director from 1976 to 1987. The criteria and selection process to determine award recipients are established by the AIA Executive Board.

Schools selected as finalists host an on-site evaluation visit from an AIA selection committee to verify narrative and written data. Following the on-site visits, the committee presents its recommendations to the AIA Executive Board for selection of the award recipients. Two awards may be given: one recipient from the 1A-3A Conference and one recipient from the 4A-5A Conference.

DR. VOIE STUART CHASE COY SCHOLAR-ATHLETE AWARD PROGRAM

In 1989 the AIA Executive Board established a scholar-athlete award program to recognize high school students and schools who demonstrate their commitment to academics in conjunction with athletics/activities as a foundation for success. On May 3, 1999, the Executive Board renamed the program the Dr. Voie Stuart Chase Coy Scholar-Athlete Award Program. Dr. Coy served as Executive Director from 1987-1999.

This annual program has three categories for which member schools may apply. The categories are as follows:

Individual Award: Any member of a varsity athletic team or AIA sanctioned activity program who achieves a 3.5 or higher grade point average is eligible for a Certificate of Recognition.

Team Award: Any varsity athletic team or AIA sanctioned activity program that achieves a cumulative grade point average of 3.5 will receive recognition on the AIA Honor Roll.

Scholar-Athlete/ Scholar-Activity Participant Of The Year: Any member school may submit an application for a senior boy and/or girl who has been a member of a varsity athletic team or AIA sanctioned activity program for two years and has maintained a 3.75 or higher grade point average for seven semesters. Each of the applicants will receive a Certificate of Recognition.
Scholar-Athlete: Five boy and five girl finalists are selected from the applicants. From the finalists, a boy and girl from the 1A-3A Conference and a boy and girl from the 4A-5A Conference are chosen to be a Scholar-Athlete of the Year.
Scholar-Activity Participant: Three boy and three girl finalists are selected from the applicants. From the finalists, a boy and girl from the 1A-3A and a boy and girl from the 4A-5A Conference are chosen to be a Scholar-Activity Member of the Year.
