

# AIA Guidelines regarding Prescott/Prescott Valley Hotels

**Hotels that choose to engage in a cooperative effort with the AIA will agree to a standard set of guidelines and in return the schools will be bound by the same guidelines. The preferred hotels that have agreed to these set of guidelines are listed within this document.**

- Reservations must be made directly with hotel (not through travel agent or online site)
  - Any reservations made through a third party and not made directly with hotel will not be entitled to the rights provided in the “AIA Guidelines”
- Only rooms booked for coaches and athletes will be entitled to the “AIA Guidelines” to ensure every team as an opportunity to be
  - Rooms blocked for Booster groups will not be entitled to the AIA Guidelines, and must be set up a separate room block with the hotel under the hotels normal operational procedures for booking room blocks
- Due to the variable nature of the high school playoff system it is impossible for schools to accurately predict their length of stay.
  - Our proposal would be to allow participating schools to check out any day by 12 PM without early termination penalties if the school fails to advance.
- Exception for early afternoon contests
  - If a team is participating in an event that will be completed by 2 PM it is the responsibility of the coach to work with the hotel to arrange for a late checkout/stay over option.
    - Possible procedures would be for the teams to store all their gear in the coaches room allowing the other rooms to be cleaned and ready for sale in case the team does not advance
    - Schools may need to pay for the coach room if the team does in fact fail to advance and leave early.
    - If the school advances they would then need to let the hotel know immediately that the school will be returning to utilize the contracted rooms.
- Schools that book rooms prior to the tournament commencing and then fail to qualify will be subject to cancellation fees unless they notify the hotel immediately to cancel the contracted rooms.
  - Hotels on a case by case basis might place a limit on the number of rooms an individual team can contract per event thus limiting their exposure if that school fails to qualify for the state tournament

## Prescott Valley / Prescott Preferred Hotels
