"Blow the whistle on child abuse."

Abuse occurs in all sports but when we work together as R.E.F.s to Report, Educate and Fight, we ensure sports are safe and youth athletes can reach their ultimate potentials. Childhelp is excited to partner with AIA to bring Childhelp Speak Up Be Safe For Athletes child abuse prevention education and anti-bullying campaign to high school athletic communities statewide. It is the responsibility of coaches, parents, and athletic administration to keep kids safe - on and off the field. As the school year continues, be watching for the release of our educational video as part of the mandatory concussion registration process. To learn more about Childhelp Speak Up Be Safe For Athletes (underwritten by Olympic consultants the Foundation for Global Sports Development) and to schedule a presentation for your team, please visit our website www.Childhelp.org. If you are concerned about an athlete or suspect abuse, call the *Childhelp National Child Abuse Hotline*, 1-800-4-A-CHILD (1-800-422-4453). The call is free and confidential. Professional counselors provide crisis intervention, information, and referrals. Like safety equipment and rules of the game, Childhelp gives you the tools for a successful sports season!

Bosa Donuts

Best Donuts in Az

Coffee & Smoothies

<http://bosadonutsaz.com>

The apple fritter will change your life. The classic glazed is as good as they come. The éclair is worth every wonderful calorie. We're talking, of course, about a little donut shop that's taken the Valley by storm and now operates 12 locations, with two (and probably more) on the way. BoSa Donuts is everything you want in a classic donut shop - affordable, fluffy donuts served in a no-frills atmosphere by friendly staff.

There's also coffee drinks, breakfast and lunch sandwiches, fruit smoothies, and hot cocoa for the kids on the menu. Although all of those items are worth trying, it's BoSa's unfettered take on donuts that has won them love from Valley residents. BoSa doesn't try to reinvent donut recipes or show off donut bravado with culinary skills, they just simply make the perfect donut. Period. Whether you're in Chandler, Gilbert, Mesa, Casa Grande, Phoenix, or Scottsdale, you've got access to BoSa 24/7. (Seriously, they're open 24 hours a day, seven days per week.)

SUGAR HELPS FUEL YOUR GAME

Sugar is a form of carbs, and carbs help to keep you fueled during activity. So, inside every sip of Gatorade® Thirst Quencher is the sugar you need to help keep you and your game running strong.

FACT #1
Sugar provides the energy you need to perform throughout the game.

FACT #2
The sugar found in Gatorade Thirst Quencher—glucose & sucrose—fuels your muscles & mind.

FACT #3
You don't need a lot of sugar. The recommended amount of sugar for athletes is 30-60g per hour of activity. That's why every bottle of Gatorade® Thirst Quencher is formulated to help deliver the proper carb intake, plus the fluids to help support hydration.
