Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championship. It is our pleasure to be able to bring you a fantastic event.

It took a great deal of hard work to reach this point. The AIA recognizes the strength it took to get here, as well as the sacrifices made along the way. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

The AIA began in 1913 and has grown by leaps and bounds over the years. Along with the Executive Board, the AIA vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, nearly 125,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis.

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

3A Boys: Tough and Ready Chinle Is Ready to Defend the No. 1 Seed

By Oree Foster
azpreps365.com

Chinle Wildcats head basketball coach Raul Mendoza is a well-respected coach in the state of Arizona.

Mendoza has been there and has done that during his 40-year coaching career.

He is in third year as Chinle's skipper and has guided the Wildcats to the No. 1 seed in the boy's 3A state tournament, with an outstanding 27-4 record. The Wildcats completed the tough and talented 3A North Region with an unblemished 10-0 mark.

Last year, Mendoza coached the Wildcats to the Final Four before losing to eventual state champion Winslow.

After earning the No. 1 seed in the state-wide power rankings, Chinle had a first round bye in the state tournament. As the top seed, the Wildcats played the Show Low Cougars on a neutral floor at Ganado High School's Hornet Pavilion on Saturday night.

Chinle utilized a strong defensive showing and a solid offensive performance during the Wildcats' 67-42 victory.

Mendoza praised the Wildcats on both ends of the floor.

"We had a great defensive effort in the second quarter, and offensively senior guard Jason John gave us a big lift," Mendoza said.

Mendoza said his tentative starting five compliment each other.

Junior Curtis Begay is the Wildcats' quarterback, guiding Chinle's offense as a point guard. Mendoza said, "Curtis is a great ball handler, a good passer, a solid defender and a great leader."

Junior Cooper Burbank is averaging 21 points per game.

Mendoza said Burbank is a great scorer and Burbank is extremely intelligent on the floor and moves well without the ball.

Mendoza said senior Jason John is great defender, quick and a solid rebounder.

Sophomore Payton Wagner, said Mendoza, is a hard worker on both ends of the court.

Mendoza added that senior Angelo Lewis will start at the post position. He said Lewis' strength is rebounding and Lewis is an excellent passer and sees the court very well. He leads the team in assists.

Standouts for the 2018-19 Chinle Wildcats include (from left to right) Curtis Begay, Cooper Burbank, Angelo Lewis, Payton Wagner and Jason John (photo courtesy of Chinle High School).

Mendoza said all of the team members work hard every day in practice in preparation for games.

"The guys work hard in practice against each other on both ends of the court," Mendoza said. "They believe in each other and they trust one another. They push each other to get better."

Mendoza believes a first round bye is definitely working in Chinle's favor.

"The first round bye allows us to get some rest without a first round game," he said. "The bye will prepare and refine us on what we have put on both ends of the court for the next time we play. This is especially helpful and allows us to recover from the regional tournament."

Mendoza said earning the No. 1 is an honor that the Wildcats will need to protect during its run during the state tournament.

"The seed is great. That allows us to be placed in the bracket where we don't have to play against higher seeded teams until latter rounds of the tournament," Mendoza said.

3A Girls: Page Welcomes Pressure As the Defending Champ

Photo of the 2018-19 Page Sand Devils courtesy of Page High School

By Oree Foster
azpreps365.com

The Page Lady Sand Devils is a well-respected girl's basketball programs in the state.

Every year, without a doubt, Page is vying for a state championship. Last year, the Lady Sand Devils hoisted the Gold Ball, after capturing the state championship.

As the No. 2 state tournament seed, Page earned a first round bye.

Page, 24-4, chalked up an impressive second round victory over the Florence Gophers, 55-24.

Page meets No. 7 and North Region nemesis the Tuba City Lady Warriors in the Elite 8 at Findlay Toyota Center in Prescott on Monday in a 4:15 p.m. tip off.

This will be the third meeting between the rivals this season. The Sand Devils defeated the Tuba City Lady Warriors twice (65-43 and 57-34) this season.

Page head coach Ryan Whitehorse believes the 3A North, including Window Rock, Ganado, Chinle, Kayenta Monument Valley, Tuba City and his Page team, is the toughest region in the state.

"Just like last year, the 3A North Region is the strongest region in the state," Whitehorse said. "All the teams in our region are strong enough to compete with any of the Valley teams. They're all fundamental, aggressive defensively and quick on transition. Not many teams outside our region except Holbrook and Winslow play the style of basketball we play."

Page is enjoying a successful season, having won the regular season 3A North Region and the regional tourna-

ment championship. The Lady Sand Devils own a 24-4 record and are the No. 2 seed in the state tournament.

"Defense has been the focus for our team all year," Whitehorse stated. "I think we have a group of girls that bought into the philosophy and love playing defense. Not many players like to play defense, but I like to challenge the girls every day to be that best defensive team. Defense is way more important than offense in my opinion. If we can show up defensively, we can compete with any team, no matter the talent or athletic ability."

Whitehorse said the Lady Sand Devils hit a few speed bumps during the course of the season.

"Our biggest obstacle I think we had to overcome this season was stepping outside our comfort zone and inexperience with our young players," he said. "We lost only three players from last year's team, but we had a lot of girls returning that didn't have much varsity experience. Our seniors this year also never really had to step into the leadership role before because of great leaders we had in the past."

Whitehorse continued, "But overall, all the girls have really stepped up this year. They all work hard each day, play for each other and really came together as a family. It's something I've tried to emphasize since taking over the program. If we play as a team, as a family, we can do great things."

He said earning a first round bye has its pros and cons.

"It's great to have a first round bye to give our girls a chance to rest, take care of school work and for us to prepare for the next round," Whitehorse said. "But then again, it is hard to keep the girls motivated throughout the week, because they're kids. They're excited to play. But this is just another obstacle in my opinion that the younger girls have to learn and grow from."

Whitehorse added, "I just wish being a top seed we would be rewarded (a home game) instead of having to travel to a neutral site to play. We haven't hosted a game on the girl's side since we went to the 24-team bracket a couple years ago."

Whitehorse believes as defending state champions and second seed there is pressure on Page.

"There's always going to be pressure on us," Whitehorse said. "We remind the girls, and they know each year we have a target on our back and that target is bigger than ever, being defending state champs. Every team wants to be the team that beat the defending champs. We were that team last year. But we also use the pressure, especially our girls, because they set high expectations for themselves. Their parents push them to excel and the community expects a lot from them."

4A Boys & Girls Semifinals Preview

Salpointe's talented junior Evan Nelson should be a key factor as the Lancers battle for the 4A State Championship (photo by Andy Morales of azpreps365.com).

If not for the Matadors of Shadow Mountain, the Lancers from Salpointe could be playing for their third straight cham-

pionship, instead, the Matadors are playing for their fourth title in a row.

Shadow Mountain has championship banners from 1996, 2000, 2014, 2016, 2017 and 2018 hanging somewhere in the school's gym and the last two banners came against Salpointe. Mike Bibby's squad handled the Lancers with little resistance in an 81-48 victory in 2017 but 2018 proved a bit more difficult.

That 2017 win was the 54th straight win against teams from Arizona and, perhaps, the Lancers were a little in awe of the record, except for former guard Cameron Miller who finished with a team-high 21 points. The 2018 83-79 victory made it 71-0 against the field but the Matadors had to put down the red cape and fight for it. Salpointe took a 68-51 lead heading to the fourth but Shadow Mountain went on an insane 32-11 run for the win. Jalen House scored 15 of his game-high 30 points in that stretch and Salpointe standout Luc Rosenblatt poured in 24 points in the game, including 6-of-8 from deep, to try to hand the Lancers their first school championship in five tries but it was not to be.

This year, the teams will meet in the semifinal round. The Matadors lost to Pinnacle in the third game of the season so their streak ended at 73 but trophies matter most and House is back for his senior year along with Jovan Blackshear. The duo is scoring half of the team's 80 points per game and Salpointe will counter with senior Majok Deng and junior Evan Nelson. History has proven the Lancers will find a hero from the bench however and it will depend on who steps up this year. Shadow Mountain (24-3) is the top seed and Salpointe (27-2) is No. 4.

The other half of the bracket includes No. 11 Catalina Foothills (22-6) vs. No. 2 Deer Valley (22-4). The Falcons have already redefined the playoffs by beating Salpointe in region play, shifting the Lancers over to the Shadow Mountain side of the bracket, and then back-to-back upsets in the playoffs over a No. 6 Seton Catholic and No. 3 Buckeye has the Falcons one game away from their first title game.

"We have 11 seniors that made it to the state championship game last year, said Deer Valley head coach Jed Dunn. "We have depth at every position as well."

Deer Valley was the 5A runner-up last year and the Skyhawks are on the verge of their third trip to the final. The Skyhawks are on a 10-game winning streak, as are the Falcons. Both squads are hoping for two more.

Shadow Mountain (26-3) also has the top seed on the girl's side of the 4A Conference and the Matadors will be playing No. 4 Sahuaro (26-3). The Matadors won a state championship in 2010 and followed that up with a runner-up finish the next year while the Cougars have two titles to their name but the program hasn't been to the final since 2001.

The Matadors have won 12 in a row in blowout fashion and the Cougars have six wins in a row by similar lopsided scores and the Cougars will need the play of sophomores Alyssa Brown and Lucky Franke to compete with the Matadors. Brown is averaging 24 points a game and she has already passed the 1,000 career-point mark in only her second year. The Matadors have four players in double figures with junior Senya Rabouin leading the field with 18 points an outing.

"Our team has very good chemistry," said Sahuaro head coach Steve Botkin. "They are friends on and off of the court.

They are very unselfish and share the ball extremely well. They are willing to work hard every day. They are super coachable."

No. 2 Seton Catholic (24-6) is taking on No. 3 Mesquite (20-8) in the other half of the semifinal bracket. The Sentinels have 10 state championships to their name, including the last three in a row, and the Wildcats are on a bit of a roll with a 5A runner-up finish last year, a 5A championship the year before and a runner-up finish two years ago. The move down to the 4A level made for an instant and predictable challenge for another title in the 4A Conference.

"Our teams continued success comes from a long line of examples and great players before these girls," said Mesquite head coach Candice Gonzales. "They put in the work and are not afraid to work hard. They know what it means to compete and how to win. They have put in countless hours into the game, are very coachable, and want to be the best they can be." Seton Catholic head coach Karen Self also described her team: "We are a very young squad with eight freshmen or sophomores on the team. Our seniors have really helped bring the younger players along to develop a strong work ethic and to be able to play in our system."
