Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championship. It is our pleasure to be able to bring you a fantastic event.

It took a great deal of hard work to reach this point. The AIA recognizes the strength it took to get here, as well as the sacrifices made along the way. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

The AIA began in 1913 and has grown by leaps and bounds over the years. Along with the Executive Board, the AIA vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, nearly 125,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis.

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

DAVID HINES
AIA Executive Director

Division I State Track & Field Preview

By Les Willsey
azpreps365.com

Team title races at the 2019 Division I state track and field meet this week likely seem headed for recent repeats.

Chandler girls with top-flight athletes in the bulk of the events should be a shoo-in for state title No. 13 in the last 14 years and a fourth in a row. On the boys side, like last year, Desert Vista and Chandler should duke it out with perhaps Highland's distance talent leading to points for at least a top-five finish. Desert Vista and Chandler have won the last four team titles -- two each. Desert Vista is the defending champ.

Events play out Wednesday May 1 for D-I with lane-event prelims along with some finals at Mesa Community College, the annual home of state meets for Divisions I through IV.

Day 1 of D-I (and D-II) is Wednesday beginning at 11 a.m. with boys javelin. Other selected field events follow at 11:30 (boys and girls high jump, boys pole vault and girls triple jump. At 1 p.m. it's boys long jump and at 2 p.m. it's girls discus and boys shot put. Track event prelims begin at 2:30 p.m. with finals contested Wednesday in boys 4X800 relay, girls 1,600, girls 800 and boys 3,200.

Day 2 for D-I is Saturday May 4 with all other finals contested. Field events begin Saturday at 10:45 a.m. and lane event finals begin at 1:45 p.m..

Here's a look at the returning champions and their resumes plus the top-seeded competitors for boys and girls in each event:

RETURNING CHAMPIONS

BOYS

Jaheim Brown-Taylor, Chandler in the 100 and 200; Leo Daschbach, Highland in 1,600; Malik Whitaker, Hamilton in high jump.

GIRLS

Morgan Foster, Chandler in the 800 last two years; Caroline McLeskey, Highland in 1,600; Cierra Tidwell, Highland in high jump last two years; Sevanna Hanson, Desert Vista in pole vault. *Abi Archer, Chaparral won 1,600 and 3,200 in D-II last two years. Competing in D-I this year. *Myreanna Bebe, Queen Creek won 100 hurdles in D-II last year. Competing in D-I this year. *Kenashalee Kerr, Queen Creek won long jump in D-II last year. Competing in D-I this year. *Eden Henderson, Chaparral won pole vault in D-II last year. Competing in D-I this year.

Division II State Track & Field

Mustin, Track Stars Putting North Canyon on the Map

By Jose Garcia
azpreps365.com

The team and individual state titles are nice, but the medals Justin Airabin is after come in the form of scholarships.

Justin, a former Northern Arizona, University of Utah and professional football player, knows first hand what doors a scholarship can open. For about the past 15 seasons Justin has successfully kick-started the careers of several athletes.

He's done so relatively quietly at a school, North Canyon, that at times gets overlooked by neighboring powers such as Pinnacle. But track and field fans know exactly where North Canyon sits.

In the past two seasons it's been atop the podium a lot, especially with the girls, the two-time defending D-II team champ. This season, Justin's got another high-octane group, which is led by two of the state's track stars. Like in the past, North Canyon doesn't carry a big group, but man can they fly.

The school is home to the nation's No. 1 ranked 800-meter runner, Dominique Mustin, and another speedster, Jadyn Mays. Mays' times in the 100 meters (11.76), 200 meters (23.99), and 400 meters (55.37) are atop the state rankings this season.

Mays, an 8-time state champ, and Mustin are just juniors, so expect them to continue putting North Canyon on the map.

"Jadyn is probably the most competitive kid I've ever seen," Justin said.

As for Mustin, Justin said, "If you tell Dominique she can do something, she tries her best. She always listens and works hard. She is very dedicated."

But Mustin had to leave the Goldfish to start getting more gold.

Justin's training regimen includes a diet. Mustin used to like snacking on her favorite treat (What teen doesn't like to snack?), Goldfish Crackers.

But Mustin is now watching what she's eating as she's taking a bite out of competitors more often. She was already on the radar of college coaches entering this season, but her recruiting jumped to another level after posting a 2:06.01 in the 800 meter race at the prestigious Arcadia Invitational in California.

To show how dominant she is, Mustin's state record 2:06.01 would rank 31st in college this season, and it would be the fifth fastest time by a college freshman this season, according to az.milesplit.com.

"Just breaking 2:10 is something I've been dying to do," Mustin said. "Once I started to break records I was like, 'Oh. Wow. This is happening.'"

Mustin and Mays will eventually join the more than 30 or so kids Justin has helped sent to college from North Canyon.

Justin attended a former California high school sports super power, Taft, and a handful of his family members have played professionally or in college, including his dad Sidney, who played with the Rams in the 1978 Super Bowl.

Justin was a defensive back during his playing days.

"I've been back peddling since I was four," he said. "I started coaching track while I was playing football and wanted kids to achieve their goals."

The person who paved Justin's career as a coach was longtime Valley coach Mo Streety of Phoenix Christian High.

Justin used to train with Streety and former Arizona Cardinals players Simeon Rice and Aeneas Williams.

Justin got his coaching start at Desert Mountain, where he was at for about four years before landing at North Canyon. He's making a name for himself as a track coach, but Justin also continues to work with football players.

University of Utah defensive back Solomin Enis and USC offensive lineman Austin Jackson being two of his most recent proteges. His two titles with the girls in the past couple of seasons and a boys crown two years ago were Justin's first team championships as a coach.

North Canyon coach Justin Airabin and Dominique Mustin
(photo by James Mello of azpreps365.com)

But remember, it's about the scholarships for him.

"My thing is to help my kids go to college, honestly," he said.

North Canyon is again one of the favorites this year to bring home a Division II title for girls, but Campo Verde and Casteel also will likely have a big say in the final standings.

Mustin will be busy during the state meet at Mesa Community College May 1, 3 and 4. She ranked in the top-10 in the 200 meters and is second in 400, but North Canyon's Delphine Dah, Jayde Charlton and Athena Montgomery are also top-9 in the 400.

Behind Mustin in the 800 is North Canyon senior Makya Richard, and teammate Stefana Purkovic is about six seconds behind. Purkovic, Mustin and Cassandra Ogburn are looking to pick up some points at state also in the 1,600 meters, and Ogburn and Purkovic are in the top-10 in the 3,200 meters as well.

Ma'Kayla Dickerson of Betty Fairfax should be one of the stars at this year's state meet, but Mustin will give her a race in the 100 meter hurdles. Joy Moorner, one of the next stars of North Canyon, and Montgomery will also be chasing Dickerson in the 300 meter hurdles.

Along with Mays in the 100, junior Jayde Charlton is also in the top-10 in the event this year. With speed to spare, North Canyon's 4x100 and 4x400, and 4x800 relay teams are shooting for top of the podium endings at state.

On the boys side, look for shot putter Uriel Hernandez to be North Canyon's best shot at an individual state championship.

Division III State Track & Field

Page's Martin Wants to Cap Stellar Career With a Strong Showing at State

Bowen Martin (photo courtesy of Page High School)

By Oree Foster
azpreps365.com

Page senior distance runner Bowen Martin is looking forward to this Friday and Saturday's Division III track and field championship.

"The key to my success this year is listening to my coaches and being able to stay injury free by stretching and strengthening in my weak spots," Martin said.

During the season, Martin has posted outstanding PR times earlier this season.

Martin turned in a 9:10.68 in the grueling 3200-meters at the Arcadia Invitational in California, which is one of the biggest meets in the U.S.

At the Nike Chandler Rotary Invitational, the largest regular season meet in Arizona, Martin crossed the finish line in 4:18.65 in the 1600-meters.

A versatile runner, Martin was clocked in 1:59 in the middle distance 800-meters at the Bradshaw Mountain Invitational in Prescott Valley.

"Before I ran each race, I kind of knew that I was going to PR, because I picked a couple races a year to taper for and the rest of the meets I train through," Martin said. "During the race, I feel much better than I would on a regular meet, because I was able to have a bit of rest during the week, so I have confidence in myself. I would always be overjoyed whenever I was able to PR, because that's where your hard work shows."

Martin said since he established a state leading time he has been within 10 seconds of each event but not as close, because each of those weeks he would train through and not rest.

"When the state meet comes around, I'll do my last taper, so that I can hopefully PR in all my events," Martin explained.

Martin said he is focusing in on the D-III track and field state championship, scheduled for Mesa Community College this Friday and Saturday.

The 1600-meters is scheduled for Friday, and the 3200-meters and 4 x 800-meter relay events are set for Saturday.

This year's Meet of Champions, now directed by the Arizona Interscholastic Association, is scheduled for May 11 at Arizona State University's Joe Sellah Track facility in Tempe.

During his illustrious running career, Martin has earned eight state championships as an individual and a team member. Martin has won one individual cross-country state title, two individual track state championships (3200-meters, 1600-meters), a 4 x 800-meter state championship team member and a four-time cross-country state championship team member.

"My favorite event is the 3200-meters, because that is the event that I'm the best at," Martin said. "I feel like whenever I'm running it, I just fall into the zone and I am super focused."

Martin said for him to win another state championship in individual events he needs to stick to his training schedule and listen to the advice his coaches give him.

"I don't feel any pressure to keep my number one spot in Division III, but I want to be in the number one spot in Arizona for the 3200-meters by the end of the year," Martin stated. "I'm ranked second."

Martin said he hasn't signed a national letter-of-intent, but will sign soon.

He said he plans to sign a cross-country/track scholarship with Southern Utah University.

"I plan on running all the distance events in college, and I will be excited to keep improving," Martin said.
