Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and think about for years to come.

The AIA recognizes the hard work strength it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

4A GIRLS SEMIS PREVIEW

No. 1 seed Prescott (17-0-1) vs. No. 4 Catalina Foothills (15-4-1): Prescott opened its season by winning the Chandler Prep Winter Classic and then went on to win the Grand Canyon Region without allowing a goal. It also didn't drop a conference game. The tie came against 3A's Northwest Christian. The defense is led by goalkeeper Lauryn Mayhan (4 goals allowed all season) and defenders Hailey Mayhan, Alexa Sell, Kaity Kasun and Melia Hoyt. "Having a defense remain injury free for the first time in years, the Badgers defense has gelled nicely and remain the focal point of the team's success," coach Paul Campuzano said. The team has outscored opponent 79-5. Seniors Lily Jensen, Sawyer Magnett, Emma Alvarez and sophomore Ellie Magnett have each scored more than 10 goals. The program is attempting to reach its first final since 2010 and win its first ever title. ... Catalina Foothills: Junior Ellie Robinson and Hannah Draper were the team's leading goal scorers, according to maxpreps.com. Sixteen different players had scored a goal this season. Junior Flavia Burrell had a .447 goals against average after 17 matches. Catalina Foothills has been one of the dominant soccer programs in the state in the 2000s, winning eight championships and reaching at least the second round of each state tournament during that span. Its eight crowns rank third in the state in girls. Xavier Prep has won 10 titles and Blue Ridge nine.

No. 7 Salpointe Catholic (15-4-1) vs No. 2 Flagstaff (13-4-1): Salpointe is fourth on the state title list with seven championships. If it wins its semifinal game vs. Flagstaff, it can become just the second program to reach six consecutive state championships games. The last program to do so was Seton Catholic from 2002-008. "We are a young team with a lot of new players, losing 11 seniors and two other players to ACL injuries just before the high school season," coach Kelly Peirce said. "It has been challenging, but the players have been coachable and have trusted in the process. They are coming together more and more as the season progresses. As we all know, anything can happen. I always remind them that any team can beat any other team on any given day. So we take it one game at a time." Senior defender Emily Valenzuela, senior mid-

Salpointe goalkeeper Angelina Amparano (photo by Dave Smith of maxpreps.com)

fielder Sydney Lenhart, and senior goalkeeper Angelina Amparano are the team's leaders. "Emily's work ethic is great and brings attitude and leadership," Pierce said. "Sydney is a great kid with a good attitude and work rate. Angelina also has a great attitude, is a positive leader and is a hard worker. All three have been part of the varsity program all four years. So they bring experience and composure to the team, especially in the playoffs." The three players will continue playing in college. Salpointe's players all volunteer and have done so at the Ft. Lowell Shootout, Beads of Courage and Jr. Olympics. ... Flagstaff senior center back captain Maya Shearon, sophomore center back Mayrin Soto and sophomore goalkeeper Lianna Albert

Casteel's Samantha Anger (photo by Darin Sicurello of maxpreps.com)

are the team's leaders. "Maya drops into cover for back line, communicates, starts the attack and counter attacks," coach Holly Jones said. "She leads by example and with her work rate. Mayrin is our leading goal scorer and leads the team in assists. Lianna communicates to make sure her defense is set and denies shots.

"This season the team has really come together as a team. They support one another. We are young but the upperclassmen have worked hard to show the younger players what it takes and how to respond to adversity and the ups and downs the game hands you." The program reached the 2018 final.

NOTES: This was the 18th consecutive year that Sahuaro reached the postseason. It has one state runner-up, four state semifinals and six quarterfinal appearances to its name. "Leadership and desire were the reasons why they were successful this year," coach David Kruszewski said. "This team has chemistry and love playing with each other." The team's leaders this season were Sr. forward Nayeli Vidal, Sr. centerback Aliyah Valenzuela and Jr. goalkeeper Cassidy Morrow. ... Poston Butte was led by Sr. forward Nicole Touhey

and Sr. goalkeeper Jennifer Alvillar. "Nicole leads the team with 15 goals and is poised to tie or even shatter the all time goals scored at Poston Butte," coach Dean Sale said. "Jennifer leads the team and Poston Butte in all time saves. She was named last year as First-Team All-State and is expected to be in the running for player of the year." The duo also volunteers with Unified Sports. This was the second year in a row that Poston Butte reached the playoffs. ... Goalkeeper Mackey Massingale, midfielder Mikey Regas, and forward Brooke Leber and midfielder Ava Camberlango were Arcadia's leaders this season. "Mackey quarterbacks the defense and brings intensity, athleticism, experience, and skill in her third season as the starter," coach Adam Zweiback said. "Mikey is a defensive midfielder running tirelessly from box to box, stopping the opponents best midfielder and leading our counterattacks. Ava and Brooke have the speed, creativity, ball skills, and rocket shots on goal that propel our offense. Brooke has scored 32 goals and added eight assists this season; Ava 8 goals and 10 assists; Mikey 3 goals and 11 assists.

"Our team is led by a senior goalie, four senior defenders, and two senior defensive midfielders. Our attacking midfielder, Ava Camberlango, is a constant threat off the dribble and via long and with hard shots. Forward Brooke Leber is a tremendous athlete with a nose for goal. We have eight wingers who alternate at the outside positions, bringing speed, skills, and fresh legs to the pitch throughout the game.

My assistant coaches (Bill Christenson and Jacob Zweiback) and I are dedicated to helping the girls maximize their athletic ability and enjoy their high school years on a supportive, winning team." Arcadie has reached the postseason in each of Zweiback's eight years as coach.

5A GIRLS SEMI PREVIEW

No. 5 Notre Dame seed (14-3-1) vs. No. 1 Casteel (14-2-1): Sr. midfield Alexa Clatt, Sr. midfield/forward Megan Chermack, Sr. defender Jacqueline Culver and Jr. forward Izzy De Avila are Salpointe's leaders. "Alexa has the talent, skill set on the ball and knack for playing big in big games," coach Tom White said. "Megan brings ultimate work ethic and leadership by example and demands a lot of her teammates but even more of herself. Jacqueline is the ultimate center back and is calm under pressure and great in the air and reading of the game. Izzy is a goal scorer, plain and simple." Notre Dame won state championships in 2015 and '16, reached the semis in 2017 and '18 and lost in the first round last year. "We learned a lot from

the previous year about starting too slow and the captains focused on becoming a team quicker,” White said. “We dealt with injuries well with girls stepping up in games when needed, and the sour taste after last year’s playoffs stuck with them.” ... Casteel’s leaders are Sr. forward Samantha Anger (14 goals), Sr. defender Morgan Minnis, Jr. midfielder Lily Steenhard and Sr. goalkeeper Kyli Swann. “They lead by example,” coach Jason Hammonds said. “They never ask anything from their teammates that they themselves wouldn’t be willing to do.

“The team we have this year is incredibly talented. Mix that with their unwavering work ethic and that is a recipe for a team that is hugely successful.” Casteel is in its 4th season as a soccer program, second year in 5A. It lost in the semis last year. Of the team’s seven graduating seniors, five are graduating with a 4.0 GPA or higher.

No. 10 Ironwood Ridge (11-7-3) vs. No. 6 Desert Mountain (11-9): Which team will get over its state semifinal hump? This is the sixth year in a row that Desert Mountain has reached the postseason. But it lost a couple of semifinal matches in the final minutes. The team lost five key seniors last year but is back in the playoffs. “We are a young team that came together and bonded to make the season a success,” Desert Mountain coach Mike Muto said. A couple of the team’s leaders are Soph. forward Presley Neal (16 goals) and Jr. defender Mia Pettigrew. Desert Mountain is riding a seven match win streak, outscoring opponents 27-3 during that stretch. Desert Mountain defeated Millennium, the state runner-up last year, 2-1 in the quarters. ... Say this about an Ironwood Ridge program that kept going home feeling crushed after losing in the state semifinals the last four years: It doesn’t give up and neither does its coach, Sean Watkins. They are back to see if they can finally get to a final for the first time since 2010 and win the program’s first

championship. Watkins has had to console his teams after losing two penalty kick shootouts and two one-score games in the last four semifinals. Ironwood Ridge is coming off a 1-0 overtime victory over a team it lost to in last year’s semifinals, defending champ Campo Verde.

Notes: Millennium won its fourth region title in a row. The team outscored opponents 66-8 this season. The team’s leaders this season were Sr. defender captain Karis Stull, Sr. midfielder captain Maren Rice, Sr. forward Anacel Valenzuela-Acosta Gabby Sangillo and Arianna Leamons. “Karis is the backbone to our team,” coach David Cameron said. “By far the most fit athlete I have ever coached. She led AZ in steals.

Maren is a 5-10 athlete who leads our team in possession on the attack and leads with her work ethic in defending. Anacel is our goal scorer who has 69 goals and 53 assists in her four years on varsity. Gabby was leading with 10 goals and 4 assists. Arianna, our newcomer of the year, had 9 goals and seven assists.” ... Cienega’s leaders this season were Haley Harris (12, center attacking midfielder), Mia Torres (11, center midfielder) and Mackenzie Johnson (11, center back). “Haley has been a captain since her sophomore year,” coach Tony Torres said. “Haley is determined, positive, hard working, gritty, and leads by example.

“Mia has been a captain since her sophomore year. She is positive, relentless, selfless, vocal, passionate, and gritty. Mackenzie is a junior and first year captain. Mackenzie is direct, strong, honest, vocal, and gritty.” Cienega won a region title for the first time since 2010. The team is a class act off the field, coach said. The team adopted three families and a homeless student during the holidays and has volunteered at a local pre-school.

The 6A boys soccer tournament was rocky for some of the top seeds in the opening round, but the higher seeds that remained have taken control with the semifinal round on Saturday February 22.

No. 1 seed and defending champion Brophy has looked every bit the favorite with comfortable wins in the first round and quarterfinals. No. 2 Chaparral and No. 3 Hamilton were pressed hard in their two wins to reach the semis with three of their combined four matches going overtime or to PKs. The surprise team - at least by seed and not win-loss record is Red Mountain. The No. 12 Mountain Lions upended Sandra Day O'Connor and another upset winner in the first round in No. 13 Cibola in the quarters.

The 2020 semifinals are down to those four. The matchups are #3 Hamilton and #2 Chaparral at 3 p.m. followed by #1 Brophy vs. #4 Red Mountain at 5 p.m. Both games are at Campo Verde High School.

Here's a breakdown of the semifinal matchups:

#3 HAMILTON VS. #2 CHAPARRAL

How they got here: Hamilton defeated Trevor Browne, 2-2 PKs, in the 1st round and Copper Canyon, 1-0, in the quarterfinals. Chaparral beat Mesa, 2-1 OT, in the first round and Desert Vista, 1-1, 7-6 PKs 0-0, in the quarterfinals.

Regular season meeting: Hamilton won, 1-0, on Dec. 10.

Hamilton (14-3-4): The Huskies are seeking their seventh trip to a title game in school history and have won two in the past. Seniors Max Lipman, Crew Marin and Tracey Angeli and juniors Adnan Laurousi and Riley Lynch have been credible leaders for coach Lance Thompson in his second season at the helm. Hamilton's success, according to Thompson, stems from the program's culture created and maintained by the players. Top scorer this season for Hamilton is sophomore Luke Schaefer (15 goals, 5 assists). Other stat leaders are Lynch (5 goals, 6 assists), Laurousi (7 goals, 4 assists) and Josh Martinez (8 assists).

Chaparral (13-2-1): Chaparral has qualified for the playoffs each of the last four years with a variety of finishes. Last year the Firebirds bowed out in the 6A semis to Brophy. They were runner-up to Campo Verde in 5A in 2018, lost in the 5A quarters to Independence in 2017 and were felled in the D-I first round by Campo Verde in 2016. Chaparral has never won a boys soccer title outright. They shared a 4A title in 1998 with Rincon. The Firebirds have participated in a championship match eight times in school history ranging from 1983 to 2018. Goal keeper Cole Johnson's save in the marathon shootout with Desert Vista netted Chaparral its semifinal berth. Chaparral is led by senior center back Andrew Bebbington, Johnson in goal and sophomore forward Aysa Hamid, who has 12 goals 10 assists.

#12 RED MOUNTAIN VS. #1 BROPHY PREP

How they got here: Red Mountain defeated Sandra Day O'Connor, 1-0, in the first round and Cibola, 2-1, in the quarterfinals. Brophy beat North, 8-0, in the first round and Alhambra, 5-1, in the quarterfinals.

Regular season meeting: None.

Red Mountain (18-3-2): Red Mountain is in the semis for the first time since 2009 when it finished runner-up to Highland. Its best finish prior to that was runner-up in 2005. The Mountain Lions advanced to state last year after missing the tourney nine years in a row. They were ousted in the quarters last year by Brophy via a late Broncos' goal. Top players and leaders are senior midfielder Carson Standridge, senior center back Julian Cardenas and senior center midfielder Diego Garcia. Red Mountain returned 10 of 11 starters from last season and has added some solid sophomores to the mix. Leading scorer is James Koufidakis (22 goals) and Luke Hanes Ryan Galloway and Casillas with eight apiece. Galloway is the assists leader with 7. Koufidakis scored in the 2nd minute in the quarters vs. Cibola and Casillas won it with two minutes left from near mid-field.

Brophy (19-2-1): The Broncos haven't been challenged often since the calendar turned to January. Team leaders are seniors Case Montanile, Conner Leber, Logan Abele and junior Josh Kleiner. The Broncos have a returning Allstate All-American in Montanile and three players have signed to play D-1. Brophy prides itself on possession which often leads to limited scoring chances for opponents. Brophy has allowed just seven goals in its 12 power-ranking games and two playoff games. In its first-round victory over North, eight different players scored goals - Anthony Hidalgo, Charles Cobb, Jack Brown, Montanile, Nick Allard, Oluwaseun Babarinde, Nick Hahne and Henry Fletcher. The Broncos have seven state soccer titles in school history.

Defending champion Brophy (light jerseys) and Hamilton are two of the semifinalists competing this weekend for a berth in the 6A finals (photo by azpreps365.com).

SOCCER'S MISSING LINK

Wilson®

The ultimate ball for high-quality training or competitive match play.

BETTER BALL CONTROL Microtexture cover gives players a better boot to ball feel, providing ultimate grip during crosses and shots.

PLAY LIKE A PRO Championship caliber ball offering the best in-class value, for affordable quality to play like the pros.

TRAIN TO WIN Built from the same principle as the Wilson Forte Fybird II, the Veza acts as the perfect championship training tool for easy transition from practice to play.
