

# 2021 AIA GIRLS STATE WRESTLING CHAMPIONSHIPS

## Entry procedures & notes

- Log in to your 2021 Girls Wrestling page on TrackWrestling.
- Be sure that all of your season girl VS girl match results have been entered correctly and that your records have been updated. To update wrestlers' records, go to your roster page and click the boxes next to your wrestlers and click "Update Selected Records". Click no when asked if you want to count byes.
- You will see the 2021 AIA Girls State Championships towards the bottom of your season schedule page. Click on the envelope and enter your girl wrestlers into the state tournament according to the desired weight class using the drop-down menus.
- **\*\*DO NOT** manually type wrestler names or records, simply check the box next to your wrestlers' names and import them into the tournament. If there are no records next to wrestlers' names, that means you need to enter match results properly and update season records first before importing your wrestlers into the state tournament.
- The deadline for entering your girls into the state tournament is **Saturday, February 27<sup>th</sup> at 12 noon AZ time**. If you do not enter your wrestlers by that deadline, they will not be considered for seeding for the state tournament and will be randomly drawn into the bracket.
