**SCHOOL VIOLATIONS****SCOTTSDALE PREPARATORY ACADEMY** – *Great Hearts Academies*

Rule: Article 2. Membership, Section 5 Responsibility of School Administrators (2.5.2.3)

**Reported Violation:**

Late in the contest the official called a penalty against a Scottsdale Prep player. Another SPA player made a comment that had inappropriate language to the official which resulted in his receiving a red card. SPA's coach did not see/hear the reason for the red card and asked the official for an explanation. The official walked towards the SPA sideline and the SPA coach calmly and slowly walked onto the field towards the official for an explanation. There was brief communication providing explanation for the penalty on the SPA player and the red card on the other SPA player. Upon hearing the explanation for the penalty, SPA's coach stated that he agreed to it being a bad call which immediately resulted in a yellow card. The coach then clapped in a manner that mocked the official's decision which resulted in a second yellow card (red card). He then turned and walked away, as he was walking away and clapped again the official concluded the game. SPA does not have an assistant coach which would disallow SPA from continuing the game without a supervising coach, although none of the officials ever asked SPA's coach if he had an assistant coach. Upon the decision of the official to discontinue the game, SPA players questioned the officials' decision, with some using inappropriate language.

**Schools Corrective Action:**

**SCHOOL VIOLATIONS** – Cont'd**ESTRELLA FOOTHILLS HIGH SCHOOL** – *Buckeye Union High School District*  
*Rule: Article 32. Beach Volleyball, Section 7 Interschool Competition (32.7.4)***Reported Violation:**

Estrella Foothills beach volleyball program inadvertently violated bylaw 32.7.4 as they entered positions of players into the state tournament seeding. When submitting names and positions for the team state tournament, our first-year head coach, changed the positions of the players from the regular season team skill ranking, without advancing all pairs and moved pair's positions greater than one spot in the rankings for the state tournament. The repositioning of pairs on the state tournament roster's intent was done in good faith based on the coach rewarding a senior captain to play in the #1 spot (previously in the #2 spot) but moved the previous #1 to #4. This violates the bylaw by not advancing all other pairs. In the shuffle, the #3 spot did not move. This was the first post season experience for the beach volleyball coach and for 8 of the 10 players. The senior captain with experience had not played beach volleyball at the varsity level until this season and was being rewarded for sticking with athletics during the pandemic and showing senior leadership. While the reposition appears to create a competitive advantage because of the required ranking system of 1-5, our coach felt the talent level of the girls ranked 1-4 were interchangeable, because we truly do not have a separation in talent 1-4, the kids just played hard and with grit, not overly talented.

**Schools Corrective Action:**

The coach has been in-serviced on bylaw 32.7.4, to improve understanding how to properly adjust line-ups throughout the season and prepare for post season positioning. The coach will continue to attend beach volleyball clinics to improve knowledge of beach volleyball skills prior to next season.

**Executive Board Action:**

Executive Board, in accordance with Article 16, Section 1 of the AIA Bylaws, placed the Estrella Foothills High School **Beach Volleyball Program** on **Warning** for one year 5/17/21-5/17/22
