NEW CHANGES

APPROVED BY THE AIA EXECUTIVE BOARD
2/22/22

Language added to Bylaws

The line-up should always be based on ability. Direct line substitution is used to replace a doubles player who is unable to play.

Player movement, including a doubles team, within the team ladder is restricted to one position up or down from one match to another.

- State Team Tournament Qualifying Process

Play-in matches will be played between Section champions (who finish ranked outside the top 16) vs. teams that finish ranked in the top 16 at the site of the higher ranked team on April 22. For example: Section champions ranked #17 and #30 will play...#30 at #15, #17 at #16. Winner of play-in matches will be entered into the 16 team State Team Tournament.

- State Tournament Scoring Format

In Singles & Doubles in the Individual Tournament and Singles in the Team Tournament, a 10 point tie-breaker will be used instead of a full third set

REMINDERS
