

2022 Arizona Interscholastic Association (AIA)
Swimming Officials Clinic Information

revised 8/1

2022 Officials Clinics:

AIA requires that all AIA Swim Officials annually attend ONE of the training sessions, which will be held in August. Again this year we will offer two types of Clinics and certify two types of officials: a Stroke & Turn Clinic for Stroke & Turn Judges and new Swim Officials; and a Referee/Starter Clinic for officials, with two or more seasons, who wish to Referee or Start at invitationals and season-ending meets. **Any Certified official may ref or start at dual meets**; however, only Referee/Starter Certified officials may referee or start at Invitational and Championship meets.

Also, we are asking high school COACHES to attend one of these training clinics, so they will be able to advise their swimmers on the 2021 rule changes and stroke clarifications which will be enforced during the competitive season.
