All the AIA Golf Championships this year are paperless, all scoring will be live scoring using AZPreps365 Golf (iWanamaker). **The electronic scorecard exchange is mandatory for all players.** Like the scoring of events during the regular season, individual players will be assigned to score for one other player in the group. At the starting tent, the starters will reaffirm all players are prepared to live score during the event with adequately charged batteries and a working knowledge of the scoring procedures. **Any player not properly prepared at the starting tee will not be allowed to participate in that day's round, a D/Q will be reported as the player's score.** Coaches **WILL NOT** be allowed to substitute another player. If a player should have a battery failure during the round, the player will be withdrawn from the event and the player will be scored as disqualified (D/Q). All coaches should have one or two portable battery chargers in the event of a player's battery failure. Post round scoring will be on the finishing hole, with the official scorer and players properly social distanced (Mobile devices will only be permitted to be out from Green to Tee).

MEDIA CREDENTIAL POLICY

AIA has a Media Policy that needs to be followed to protect the proprietary rights of the Association and to protect the student-athletes and coaches at region and state tournament events. The following link (http://aiaonline.org/news/press_center.php) is to the AIA Media Center which houses the AIA online media credential form and the AIA approved media list (those that have requested and been granted AIA media credentials). The editor/manager of an outlet already granted access to AIA media credentials must go online and order credentials for a member of the media not on the master list. Please note that some members of the media might show up with freelance credentials. These have no pictures on them, but do allow for access to the event per the designated media outlet on the AIA media credential. Additionally, all member schools were allotted a number of school-based credentials for the school year. These will allow admittance equal to a media or freelance credential.
