If there is an odd number of scoring teams the number will be rounded up. Example: If 13 teams score in a sectional race, seven (7) teams will qualify for the state meet. You will be notified of these numbers at the coaches meeting. NOTE: As per AIA State Tournament Guide: All athletes entered in the Sectional Cross Country Championship MUST have completed at least ONE race during the season.
  
12. Determining Team Scores: Only the first five members of each team shall determine the overall team score. The sixth and seventh place finishers from a team do not score points for a team but may be used in the event of a tie for team scoring. If fewer than five competitors of a team finish the race, the places of all members of that team shall be disregarded in team scoring.
