GENERAL INFORMATION

HOW SCHOOLS QUALIFY FOR THE AIA STATE BASKETBALL TOURNAMENT

Open Division: (32-team bracket): In order to qualify, a school must have played a minimum of 12 games. Following the regular season, the top eight teams from the 4A, 5A and 6A conferences based on the overall AIA rankings powered by MaxPreps will receive a bid. Additionally, the next eight highest-ranked teams from the 4A-6A conferences combined will receive a bid. The state tournament bracket will be seeded according to individual AIA ranking of the 32 teams. The state tournament will consist of five rounds and will be single elimination.

- Open: Top eight (8) teams from the 4A, 5A and 6A conferences and eight (8) at-large qualifiers from the 4A-6A conferences

6A, 5A, 4A (16-team bracket): In order to qualify, a school must have played a minimum of 12 games. After qualifying teams are added to the Open Division state tournament bracket, the next 16 highest-ranked teams will make up the conference play-in bracket. The winners of the play-in games, along with any team losing in the first two rounds of the Open Division bracket, will advance to its respective conference tournament. Should there be less than eight (8) schools coming back from the Open Division into their respective conference tournament, the highest-seeded losing teams in the conference play-in games will advance to the conference tournament to create a 16-team bracket. The conference tournament brackets will be seeded according to the overall AIA rankings powered by MaxPreps; however, any conference play-in losing teams brought back into the conference tournament will be seeded as the lowest seeds on the bracket. Initial round “if necessary” games are possible. The state tournaments will consist of four or five rounds and be single elimination.

- 4A/5A/6A: Teams ranked 1-8 following qualification of Open Division participants, eight (8) conference play-in winners, and any teams returning from the first two Open Division rounds and/or play-in game losers.

2023 AIA State Site Director/Participating Team Administrator Tournament Guide

3A (24-team bracket): In order to qualify, a school must have played a minimum of 12 games. Based on region standings, the top two teams in each region will earn an automatic bid to the state tournament, except for the North Region. The two teams in the North Region tournament final will earn the region's two bids to the state tournament. The remaining 12 teams will qualify at-large based on the AIA rankings powered by MaxPreps. The state tournament bracket will be seeded according to overall ranking of the 24 teams, with teams ranked Nos. 1-8 receiving a first-round bye. The state tournament will consist of five rounds and be single elimination.

- 3A: Two automatic bids per region (12 total), and 12 at-large teams

2A (16-team bracket): In order to qualify, a school must have played a minimum of 12 games. Based on region standings, the top two teams in each region will earn an automatic bid at minimum to the conference play-in tournament, except for the North Region, Valley Region and South Region. The two teams in the North Region and Valley Region tournament final will earn the region's two bids to at least the play-in tournament. In 2A South, the top two teams in the region according to the AIA rankings at the end of the regular season will be the two qualifiers to at least the play-in tournament. The conference play-in tournament will match up teams ranked No. 9 through No. 24. Teams ranked No. 1 through No. 8 according to the AIA rankings powered by MaxPreps, along with the eight winning teams from the conference play-in tournament, will make up the 16-team state tournament. The state tournament bracket will be seeded according to overall ranking of the 16 teams. The state tournament will consist of four rounds and be single elimination.

- 2A: Teams ranked Nos. 1-8, and eight (8) conference play-in winners.

1A (16-team bracket): In order to qualify, a school must have played a minimum of 12 games. Based on region standings, the top team in each region will earn an automatic bid to the state tournament. The four (4) Super Regional champions will also earn an automatic bid, if different than the region champion. Remaining teams will be added to the state tournament bracket based on AIA rankings powered by MaxPreps. The 16 teams will be seeded according to AIA rankings. The state tournament will consist of four rounds and be single elimination.

- 1A: 8-12 automatic bids and 4-8 at-large qualifiers based on ranking.

Site Director Responsibility: Enforcing the AIA Media Credential Policy

MEDIA CREDENTIAL POLICY

AIA has a Media Policy that needs to be followed to protect the proprietary rights of the Association and to protect the student-athletes and coaches at region and state tournament events. The following link (http://aiaonline.org/news/press_center.php) is to the AIA Media Center which houses the AIA online media credential form and the AIA approved media list (those that have requested and been granted AIA media credentials). The editor/manager of an outlet already granted access to AIA media credentials must go online and order credentials for a member of the media not on the master list. Please note that some members of the media might show up with freelance credentials. These have no pictures on them, but do allow for access to the event per the designated media outlet on the AIA media credential. Additionally, all member schools were allotted a number of school-based credentials for the school year. These will allow admittance equal to a media or freelance credential.

Once again, please remember to download the AIA Approved Media and AIA School Media lists to use at the gates for signing in the media and school media.

- For postseason rounds of AIA state championships, the host school/site should cooperate with news media representatives in providing them access to a work area following an AIA state championship contest to aid in filing reports on the contest.
- Schools/host sites are required to allow entry to any properly credentialed media entity for a postseason contest.
- **The AIA operates under a closed locker room policy at all AIA events. At no time will media representatives be granted this access. Team boxes, team benches, team huddles and dugouts are considered extensions of locker/dressing rooms.**

STATE HIGH SEED/ TOURNAMENT SITE DIRECTORS

State Basketball Tournament Budget

For High Seed games, budgets for the host site athletic director can be located at:

<https://www.aiaonline.org/athletics/budget-expense>

The budget shows the **maximum** staff by position allowed for the event. **The host site athletic director can determine that, at their event site, they require less event staff than indicated as the maximum and cut the number of staff or hours allotted for the event.**

The host site athletic director does not need to submit a budget for approval if they are at or below the allocated budget amount for their High Seed game.

Note: If additional staff (than allotted on the pre-determined budget) is required, please contact Dan Nero at dnero@aiaonline.org or 602-385-3820 to confirm the specifics related to the staffing need.

State Tournament Score Reporting

Post-Season Results- immediately at the conclusion of the game:

SHOT CLOCK

To host a 3A, 4A, 5A, 6A or Open State Tournament game, the host school is required to have a shot clock installed. If a high seed site does not have a shot clock, the game will be moved to an alternate site.

TOURNAMENT SIGNS/ARTIFICIAL NOISEMAKERS

Signs are not permitted at any indoor tournament sponsored by the AIA (AIA Bylaw 12.1.4).

Artificial noisemakers are not permitted at state playoff venues. If any artificial noisemaker is brought into a game site, the item will be confiscated. The playing of music/sound effects shall only be permitted by game announcer during pre-game, time-outs, intermission and post-game. (NFHS rule 1-18).

CAMERAS

- Cameras (**with no flash**) are permitted.
- Hand held video cameras are permitted at high school sites by parents of participants filming their own child's performance. Please notify parents that tripod equipment is not permitted in the stands.

EMERGENCY/MEDICAL HOST SITE REQUIREMENTS

- Every school must have an emergency action plan in place and submitted to Jess Garcia jegarcia@aiaonline.org at the AIA in order to host a post season tournament. Please go to link for the **Anyone Can Save A Life - Emergency Action Plan** at:

<http://aiaonline.org/files/14196/tournaments-anyone-can-save-a-life-policy.pdf>

Per AIA Executive Board approved policy, **AIA Member Schools Administration** must engage a qualified medical professional (QMP) or Emergency Medical Technician (EMT) for all AIA State games at high seed site locations.

At all AIA managed State games at neutral site locations, the AIA has the responsibility to engage a qualified medical professional (QMP) or Emergency Medical Technician (EMT) at the neutral site.

IF THERE IS NO QMP OR EMT AT THE GAME, THE GAME WILL NOT BE PLAYED.

QMP means:

- ATC - Certified Athletic Trainer
- MD - Medical Doctor
- DO - Doctor of Osteopathic Medicine
- NP - Licensed Nurse Practitioner
- PA - Licensed Physician's Assistant

(QMP as defined by Arizona Revised Statute 15-341)

- If a school does not have a QMP or EMT and the opposing school does, in order for the game to proceed, the QMP or EMT agrees to cover the opposing school as well as their own school.

Method of Payment for QMP/EMT:

- Refer to <http://aiaonline.org/about/procedures-manual> QMP/EMT Coverage/Protocol instructions.
- **NOTE: If ONLY an EMT is at the game, any player removed due to suspected head injury or concussion will not be allowed to enter or re-enter the game based on an EMT evaluation. Return to play or practice can only be based on evaluation by a QMP (Arizona Revised State Statute 15-341).**
- **Required 4 BUSINESS DAYS notice:**
 - If you are unable to provide for a Qualified Medical Professional (MD, DO, Physician's Assistant, Nurse Practitioner or Certified Athletic Trainer) or an EMT to be at your game, please contact AIA Office Assistant Jessica Garcia (602-385-3810 X206) (jegarcia@aiaonline.org) for guidance. **This does not remove the School Administration's responsibility to have a QMP present at State Tournament events.**

GENERAL INSTRUCTIONS

STATE TOURNAMENT PARTICIPATING TEAMS

No more than 15 players shall suit up, participate or be listed on the roster of a school team for State Tournament teams. (AIA Bylaw; Article 21.10.2.5)

If possible, each team should have two sets of uniforms, one of light color and the other dark. The **light color uniforms are for the home team**. The team that violates this policy should change. If there is doubt, the officials should request the home team to change; on a neutral floor the officials will decide. (National Federation Basketball Rule 3, Section 4, Art. 1 C). The AIA recommends that the designated home team participating in a state playoff (neutral site) game bring two sets of jerseys.

Only **two school statisticians** and **one scorebook recorder** will be admitted free. Statisticians must enter with the team and coaches as support staff. Statisticians and scorebook recorder will be assigned a place to sit adjacent to the team's assigned bench area.

****For 4A/5A/6A State Semifinal games at high seeds: The AIA will provide an alternate official who will observe and provide assistance to the scoreboard operator and official scorebook keeper, as needed.****

The **home team** bench at all State games will be to the right side of the scorer's table facing the basketball floor.

- All State Sites (high seed and neutral sites) will use a **Wilson ball** that has the "National Federation of State High School Associations" stamp on it. The state site has been issued the Wilson Basketball that will be in use at all AIA State Basketball Tournament playoff games.

Note: The ball that will be in use for all neutral site games will be a Wilson Basketball game ball. ****PLEASE DO NOT BRING PRACTICE BALLS TO AIA MANGAGED NEUTRAL SITE VENUES. AIA PROVIDES ALL PRACTICE AND GAME BALLS.****

A QMP is **on duty** 15 minutes before each game and will be at courtside for the entire game. **Pre-game taping is the responsibility of each school's team.**

A school coach shall be in attendance during all pre-game warm-up sessions. Each state neutral site will provide water for both teams courtside adjacent to the bench of the team.
