Our coach states that he was unaware of the rule pertaining to tournaments and I take responsibility for that, he also stated that it was never his intention to knowingly violate said rule. When Mr. Fort made us aware of this potential violation, it wasn't his intent to report the violation, rather to make us aware, (as I wasn't in attendance) but we as an athletic department and school believe in teaching our students to always do what's right and accept responsibility leading us to file a self-report.

**MARANA HIGH SCHOOL** – Marana Unified School District

Rule: Article 39. Spiritline, Section 10 Coaches / Coaching (39.10.5)

**Reported Violation:**

Because our former assistant cheer coach resigned from her position, we hired a new assistant cheer coach when the football season ended. The new coach was not able to become AACCA safety certified because all available opportunities to become certified no longer available. As an alternative, the new assistant coach became USA Cheer Certified. On January 31, the head coach was out sick and the assistant ran practice. The varsity team practiced some prep-level stunting for 10 minutes. I was notified about the violation and confirmed with the coaches that the stunting did take place.

**Schools Corrective Action:**

I have addressed the violation with both coaches and they understand the mistake that was made. Both coaches know that our head coach needs to be in attendance if any stunting is to take place until our assistant coach is certified. Our assistant coach plans on attending the AACCA Safety Certification trainings that will take place in July to ensure that she is certified before the next cheer season begins.

**Executive Board Action:**

Executive Board, in accordance with Article 16, Section 1 of the AIA Bylaws, placed the Marana High School **Spiritline Program** on **Advisement** for one year 3/20/23-3/20/24.

**Schools Corrective Action:**

Contest forfeited. A meeting was held by the AD, which included both the JV and Varsity softball coaches to remind them of the importance not putting ineligible players on the roster until they are eligible to play. It was also stressed, the importance of effective communication from the head coach to the JV coach, as their contests aren't played at the same time.

**Executive Board Action:**

Executive Board, in accordance with Article 16, Section 1 of the AIA Bylaws, placed the Ironwood High School Softball Program on **Advisement** for one year 3/20/23-3/20/24.

**PRESCOTT HIGH SCHOOL** – Prescott Unified

Rule: Article 15. Student Eligibility Rules, Section 10 Transfer Rule (15.10.1)

**Reported Violation:**

A softball student transferred to Prescott January 2023 as a junior. She played varsity softball at Bradshaw Mountain her freshman year and told us she quit after making the team her sophomore year and that she didn't play in any games. The 550 form was completed by everyone. It did say that she practiced and competed for BMHS but said she left BMHS Feb 2021. After being told that she didn't play her sophomore year by the family and after seeing that she left BMHS Feb. 21, I determined that she was eligible due to compliance with 15.10.1 having not participated in this sport for the previous 12 months. On 3/6/23, Bradshaw Mountain AD emailed me and reported that the student had played for BM. I told her that I was told she didn't and that the way the 550 came across it looked like she hadn't either. She said that her coach said she did. I asked her to send me proof from Gamechanger or MaxPreps since I had already looked and couldn't find anything that said she played for BMHS. The student was pulled before the game on 3/6 and she told our coach that she did not play in anything her sophomore year, so we allowed her to play. On 3/8 we received pictures of a scorebook from BM that said the student had subbed in for a player in two games. The family continued to insist that she didn't play and felt BM coaches were not telling the truth. On 3/13 the BM AD sent a screenshot of ALA-CQ Gamechanger that listed the student as a sub in the top of the 5<sup>th</sup> inning and ground out. At this point, I felt there was enough evidence that she did in fact enter a game her sophomore year. The student repeated to us that she did not remember ever entering any games before she quit her sophomore year. I don't think there was an intent to lie on the part of the athlete or family, rather time (over a year) had expired and she didn't remember getting in for an inning and a half.

**Schools Corrective Action:**

We went off the information shared by the family and the 550 from which stated she left BMHS February 2021, which would have made her eligible to participate. as soon as we were made aware of the violation we acted. The athlete is not sitting 50% and we are holding her out of an additional 3 games to make up for the games we have to forfeit.

**Executive Board Action:**

Executive Board, in accordance with Article 16, Section 1 of the AIA Bylaws, placed the Prescott High School Activities Program on **Advisement** for one year 3/20/23-3/20/24.

**2A/3A FOOTBALL SCHEDULES – 2024 SEASON**

The 2A/3A conferences are requesting an adjustment to the season of sport for the 2023 football season. Practice may begin during week 4 (July 24<sup>th</sup>) with first games being conducted no sooner than the Wednesday of the 7<sup>th</sup> week (August 16<sup>th</sup>). Teams will have 11 weeks to play 10 games and shall be concluded the 22<sup>nd</sup> week.

On a motion made, seconded, and carried the Executive Board **approved** the above request.

**2A FOOTBALL REGIONS**

The 2A conference is requesting the below change to the 2023 football regions:

ALA – Anthem South moved from the Salt Region to the Black Region

The move is being requested as a result of unbalanced regions after the Executive Board granted the below appeals:

- Holbrook moving from the Black Region to the Little Colorado Region
- Chinle moving from 2A to 3A football.

The request allows for the 2A Conference to have three regions of eight and four regions of seven which will create scheduling scenarios that are beneficial to the conference.

The 2A conference went through the following process to get approval for all schools involved before making this change:

- ALA Anthem South agreed to move from the Salt Region to the Black Region
- 2A Conference received unanimous decision from the Salt Region and Black Region AD's to approve ALA Anthem South's change in regions.
- 2A Conference AD's voted unanimously to approve the decision

On a motion made, seconded and carried the Executive Board **approved** the above request.
