AIA State Individual Tournament Format

Three AIA Divisional State Individual Tennis Tournaments will be held, in accordance with the AIA Executive Board adopted State Tournament Reconfiguration.

- Each school that participates in AIA competitive tennis as a full member school has been placed in an AIA Executive Board approved division for the AIA Divisional State Individual Tennis Tournament.
- The AIA State Individual Tournament is a varsity competition tournament representing the top 32 singles players and the top 32 doubles teams.

AIA State Individual Tournament Scoring

- Singles and Doubles matches will be the best two (2) out of three (3) sets with a 10 point tie-breaker (instead of a full third set) played in the event players split sets. Players will switch sides every 6 points. Regular scoring will be used (ad scoring).
- A 12 (first to reach 7 ahead by 2) point tiebreaker will be used at 6 all in singles and doubles matches for the first and/or second sets. Players will switch sides every 6 points.

PLAYER SELECTION

- All players must have participated in 50% of the matches (AIA tournaments/invitationals may count towards this participation rule) they were eligible to play.
- (8) AUTOMATIC ENTRIES – Top 8 power ranked teams at the end of the season will enter one singles player and one doubles team for the individual tournament.
- (24) AT LARGE ENTRIES – The remaining 24 players and 24 doubles teams will be selected by the Tennis Advisory committee. All teams may submit up to two singles and two doubles entries for consideration in to the draw.
- Entries can be submitted starting on April 5 but no later than Noon on Thursday, April 13, 2023.

TENNIS ADVISORY COMMITTEE

- The Tennis Advisory Committee will select the 24 (At-Large) strongest singles players and doubles teams to compete for the individual championships. Selections by the Tennis Advisory Committee are final, there are no appeals.

AIA Tennis Advisory Committee will utilize AIA Executive Board approved criteria for selection.

- Coaches completed State Entry form for State Tennis Tournament
AIA Season Record (AIA 365 results)
- Head to Head Competition
- Previous State Tournament Results
- USTA Rank
- UTR

Entry form: Must be submitted no later than Noon, Thursday, April 13, 2023.

To make entries for the state individual tennis tournament, use the AIA School log-in page where your rosters are located and click on the blue box at the top labeled "Make Your State Selections". Players may play singles or doubles but not both. If a coach makes a mistake and enters a player into both singles and doubles, the singles entry will be ignored. Also, you do not need to complete any other form (i.e. player's record, stats, etc.). The Tennis Advisory Committee will research the player's information.

SEEDING COMMITTEE

The Seeding Committee will consist of Varsity head coaches, from the divisions their players compete.

Following the selection of all players in the tournament by the Tennis Advisory Committee, the seeding of the players will be done by the Seeding committee. They will seed the top 8 Single players and top 8 Doubles teams according to their rank based on the criteria below. The other participants will be a computer blind draw.

AIA Tennis Advisory Committee and AIA Executive Board approved criteria will be utilized in the selection.

- Coaches completed State Entry form for State Tennis Tournament
- 2023 AIA Season Record (AIA 365 results)
- Head to Head Competition
- Previous State Tournament Results
- USTA Rank
- UTR
- Coaches vote determines final seeding
- If any of the Top 8 seeds are from the same school, they will be seeded on opposite sides of the bracket.
- The entries that a coach submits are expected to compete until they are eliminated through play. Failure of a singles player or doubles team to compete as scheduled, except in an emergency or injury situation, may be considered a school violation of AIA bylaw; article 11.4.2.

A Singles Player or Doubles Team to be Considered for Seeding

The varsity coach presenting a player or doubles team's seeding credentials needs to provide documentation at the seeding meeting of a match by match record account of that singles player or doubles team's AIA regular season records.

The record account will include the following;

- Player or players' names
- Date of match/ Name of opposition player(s) and team/result
- Team position played in the match (1, 2 or 3 in singles, 1 or 2 in doubles)
- If competition occurred in an invitational, omit team position but record competition

If a varsity coach has a singles player or doubles team that they believe warrants consideration for being seeded as one of eight seeds on a bracket, it is imperative that the coach attend the seeding meeting to present their singles player or doubles team credentials for seeding.
