

### **Practice round information:**

Aguila will host a practice round for **Division II on Friday, October 25th, starting at 9:44 a.m.**

Aguila will host a practice round for **Division I on Friday, November 1st, starting at 9:36 a.m.**

Invitations will be sent out to the 12-15 highest-ranked boys' and girls' teams in iWanamaker two weeks prior to the practice round date. Tee times will be at 9-minute intervals. When invitations are emailed, Aguila staff will book schools on a first-come, first-served basis. Teams can bring up to five players, and fivesomes will be allowed. The price is \$25.00 per player (one coach's cart, range balls, and tax included). Any team that plans on having a substitute player can bring them along to ride with the coach, but only five players are permitted to play.

The "Pace of Play" is 4 hours and 20 minutes. Please ensure the players on your team maintain this pace, as sunset is at 6:00 p.m. in late October/early November. We want everyone to finish their practice round.

Players can also practice on their own and receive the junior rate, but team-organized practice rounds are limited to the scheduled practice round date for their respective division. If a player does wish to practice on their own, rounds can only be booked 7 days or less in advance. Junior rates at Aguila are \$12.00 + tax in August, \$16.00 + tax in September, and \$20.00 + tax in October. Players must be under 18 to receive the junior rate, and no one under the age of 18 may drive a cart.

**Junior practice rounds are walking only. Any coach or parent who accompanies the player must walk unless the parent or coach is playing as well. Aguila does not offer spectator carts. (See the "[Spectator Rule Sheet](#)" for more information.) Please inform the parents on your team of this stipulation.**

**Any parent who is rude to Aguila staff will be reported to the head coach of the school and the AIA Committee. Any coach who is rude to Aguila staff will be reported to the school's athletic director and the AIA Committee.**

Practice availability is anytime from Monday through Saturday. Bylaw 14.2.1 is still to be adhered to—no practice, chalk talk, or films are permitted on **Sunday** during the school year. The last day for Division I players to practice is **Saturday, November 2nd**, and for Division II players is **Saturday, October 26th**.
