The course surrounds the entire athletic complex; therefore, your arrival, regardless of your scheduled race time, should be between 2:30 - 3:00 p.m. All gates surrounding the athletic complex will be closed and locked at the start of each race. There will be a 5-10 minute window between races to be able to enter and exit the stadium parking lot. If your preference is not to deal with the gate at all, your team will need to walk from the east and west parking lots up at the main high school entrance and then walk down the switchback (zig-zag/ramp) or at Coatimundi Middle School. Keep in mind, Rio Rico High School dismissal is at 3:40 p.m. Team Camps: Camps will be located in the designated camp area which is the outfield of the baseball field. Porta-potties will be located outside of the baseball field on the 3rd base side.

7. Team Camps: Camps will be located in the designated camp area which is the **outfield** of the baseball field. Porta-potties will be located near the start/finish line area.

If there is an odd number of scoring teams the number will be rounded up. Example: If 13 teams score in a sectional race, seven (7) teams will qualify for the state meet. You will be notified of these numbers at the coaches meeting. NOTE: As per AIA State Tournament Guide: All athletes entered in the Sectional Cross Country Championship MUST have completed at least ONE race during the season.
12. Determining Team Scores: Only the first five members of each team shall determine the overall team score. The sixth and seventh place finishers from a team do not score points for a team but may be used in the event of a tie for team scoring. If fewer than five competitors of a team finish the race, the places of all members of that team shall be disregarded in team scoring.
