Hosting a State Qualifying Meet

HyTek must be used to export a **backup** of the meet to Sue Hysong within **72 hours** after completion of the meet in addition to the **post meet report**. Email: chysong@cox.net

The packet and application for hosting a state qualifying meet is found at aiaonline.org > Sports > Track > 2024 State Qualifying Meet Packet.

All meet registration may be on the entry platform of choice. See the aiaonline.org > Sports > Track for instructions on how to set up a meet in az.milesplit.com and www.athletic.net.

It is the coaches' responsibility to enter athletes who are competing. Unless substitutions are allowed per meet director, no changes will be made if a different athlete competes. The results will be removed. Clerical errors may be corrected up to **48 hours** after the meet to question results (**NFHS rule 2-3-1**). After this time there will be NO changes allowed. IF a coach has a question, send an email to Mary Wimmer: mwimmer@aiaonline.org
It is also the coaches' responsibility to check state rankings on MaxPreps or the weekly posting on the stat page on azpreps365 for the sport of Track, throughout the season.

A listing of all qualifying meets will be found at www.aiaonline.org > Sports > Track.

Rules

Rules shall be those of the 2024 National Federation Track and Field Rule Book with exceptions noted in the AIA Constitution and Bylaws and these tournament instructions.

GENERAL INFORMATION

- Coaches will remain in the stands; under no circumstances should coaches come onto the field unless they pole vault coaches, have checked in, and have appropriate credentials. There will be no coaches boxes for other events at both Division and State Championships.
- Team camps will be determined based on location. Participants will not be allowed on the field unless actively competing (i.e. relay exchange warm-ups are not allowed). See appropriate maps for Division sites.
- Sportsmanship Rule will be in effect and is in continuation from regular season. (Refer to the AIA Constitution and Bylaws, Article 16, Section 3)
- Field Event Contestants shall report promptly to the event judge at the designated location when the event is called. **If an athlete fails to check in at the appropriate time and location he/she will not be allowed to compete (Rule 4-3-1).** A contestant shall be charged with an unsuccessful attempt if he/she does not complete the trial or indicate his/her passing it **within one minute** after he/she has been called for a trial unless he/she has been excused by the event judge to participate in another event.
- **Athletes competing in events held concurrently can complete attempts in field events out of order and/or in succession (Rule 6-2-3 thru 5).**
- Starting blocks will be provided at all division/state meets.
- **All pole vaulters will use the declaration form posted at aiaonline.org.**
- Pole vault poles will not be allowed to be used unless an appropriate weight label is on that pole per National Federation rules.
- Standardized marks will be available on Pole Vault runways at Division/State meets. A personal marker no larger than 3" is acceptable (no water bottles allowed).
- *34.92° sectors will be used in shot put and discus for all divisions.*
- The meet director will determine the procedure used in the long and triple jump.
- Spikes must be 1/8 to 1/4 inch in length; longer spikes are unacceptable. Athletes will be required to change spikes. Shoes will be inspected and zip tied depending upon the site.
- **Throwing implements (shot/discus) will NOT be provided. Weigh in of the implements will be conducted at the designated area based on site.**
- Any coach or competitor using tobacco, alcoholic beverages, or misusing drugs at the tournament site during athletic contests sponsored by AIA shall be disqualified from the contest. (Refer to the AIA Constitution and Bylaws, Article 14, Section 14.13) Locker room facilities will not be available.
- No field event warm up can commence until an official is at the event venue. Coaches will not be allowed to assist with athletes marks, it is the athletes responsibility.
- Unfortunately, events and/or order of events will not be changed (i.e. testing, graduation, personal conflicts, etc.).
- For eligibility at the Division and State Championships in the long jump, triple jump, or any race that is not run around the complete oval of the track, a wind gauge recorded speed indicating any assisting wind did not exceed an average velocity of 3.0 meters per second is required.
- Any substitutions in a relay must come from the eight names listed in the MaxPreps declaration (or any corrections emailed by 5/1, 9 am to Sue Hysong).
- Any athlete that is substituted into the relay that is NOT on this list results in disqualification of the relay team from the event and team results.
- The 4x100 Relay will use the 30 meter exchange zone.
- An Alternate list will be published.
- Neither the AIA nor the host sites shall be responsible for lost or stolen articles.

ELECTRONIC DEVICES

- Electronic devices shall not be used to transmit information to the competitor during the race or trial. Once a field event athlete's name has been called and their trial begins, that athlete may NOT view any video with or without a coach.
- **Electronic devices/videos shall not be used for any review of an official's decision.**
- Meet management will allow the viewing of video by a field event athlete after the beginning of a trial only if the competitor is taking consecutive trials. This does not change the amount of time the athlete has to initiate a trial.

NO PETS ARE ALLOWED—unless they are service animals. Comfort animals and other pets will not be allowed into the facility at Deer Valley High School, Red Mountain High School or Mesa Community College.

Spike Lengths: Spikes are to be ¼” or less. Note: spikes purchased on Amazon stating they were ¼” were actually longer in 2023. Spikes will be checked. Spikes that are too long will not be allowed in competition.

Pole Vault Coaches’ Box Certification Requirement.

Anyone who is in the coaching box at the Division and State meet is required to complete one of the following two Pole Vault courses. A copy of the certificate will need to be emailed to mwimmer@aiaonline.org by Friday, April 26, 2024.
